>>> FOUR NEW DXCC ENTITIES ANNOUNCED <<<

The dissolution of the Netherland Antilles has caused changes to the DXCC List. As per the DXCC rules, the two Netherland Antilles DXCC entities will be deleted and moved to the Deleted Entities List. Four new entities will be added to the DXCC List: (1) Curacao; (2) Sint Maarten; (3) Saba and Sint Eustatius, and (4) Bonaire. The event date and time for these changes will be 0400 UTC, October, 10 2010. Confirmations for these new entities will be accepted for credit starting January 1, 2011. Other administrative changes and actions will be announced as they are finalized. [www.arrl.org, 13 October 2010]

>>> NEW IOTA GROUP ANNOUNCED <<<

Following today's ARRL announcement of four new DXCC entities in the former Netherlands Antilles we can now announce IOTA's position. Curacao will, in accordance with IOTA rule E.5.5 (Island DXCC entity group), become a new IOTA group with the reference number SA-099, operative from 0400 UTC, 10 October 2010. Contacts made prior to that time/date will continue to count for SA-006. Bonaire remains as a valid island within SA-006, so its IOTA status will not change. There will also be no IOTA group number change to Sint Maarten NA-105 or Saba and Sint Eustatius NA-145, islands split from each other long ago in accordance with IOTA rules. FORMER NETHERLANDS ANTILLES AND CQ AWARDS & CONTESTS ---> "With several groups operating this week from the 'new' DX entities created by the breakup of the Netherlands Antilles", Richard Moseson (W2VU) says, "questions have arisen regarding their status for CQ DX awards and contests".

- CQ DX AWARDS: The previous entities of the Leeward Islands (PJ2/PJ4) and Windward Islands (PJ5/PJ6/PJ7) were deleted as of 9 October, and four new entities became active on 10 October. Confirmations for contacts made with the new entities - Curacao (PJ2), St. Maarten (PJ7), Bonaire (PJ4) and Saba/St. Eustatius (PJ5/6) - will be accepted for CQ award credit effective immediately.

- NEW MULTIPLIERS IN THE CQWW: The country multiplier list for the CQ World Wide DX Contest (SSB on 30-31 October and CW on 27-28 November) is based on a combination of the ARRL's DXCC list and the DARC's WAE (Worked All Europe) list. The four newly born DXCC Entities will each count as separate country multipliers in the CQWW.

- DX MARATHON: Competitors in the 2010 CQ DX Marathon who worked any of the islands before 10/10/10, get credit for either the Windward or Leeward Islands, as appropriate. Hams who work them again on or after 10/10/10 will get additional credit for the new entities, providing a maximum of six country credits for working the islands in 2010.

+ SILENT KEYS + Recently reported Silent Keys include Antoine Baldeck

(F6FNU) and Robert Thiery (F6CRT), who passed away in late August. He was active as 5A1FB from Lybia (1954-57), FQ8HO and TT8AF from Chad (1958-61) and 6W8DI from Senegal (1961-63).
