DX MAGAZINE MOST WANTED SURVEY ---> The DX Magazine's annual Most Wanted Survey is being conducted now through 15 October. The survey form is available at www.dxpub.net: click on "Most Wanted Survey" and you will find a link to the form (please note that it is not a complete list of all DXCC Entities: if you need something that is not listed, simply use the "Additions or Comments" space at the end of the form).
Prefixes in bold type are ones which may cause confusion due to their

similarity (e.g. 3D2, VK9, VK0, etc), plase use care when marking these to be sure the correct one is counted. A few prefixes/Entities are shown in red, to indicate either an addition to the list from last year or a change in the prefix (e.g. ZK2 is now E6).
The overall results will be published in the January-February 2013 issue of The DX Magazine, and the world-wide results will be posted to the web site around 15 January 2013 as well. The breakdown by mode/Low Bands will be published in the March-April 2013 issue of the magazine.
