ARRL TOP 100

ARRL TOP 100 ---> The DX Daily reports: "The following list is the top 100 countries needed by DXers who are active in the ARRL's DXCC program. Some of these countries such as Z3, T9, OK, OM and S5 have been worked by many, however DXer's are still waiting for the QSLs to make it through the QSL bureau pipeline. VK0H will fall right off the list after the January Dxpedition. Out of the top 20 BS7H is expected by the beginning of May. 5A1A is active most days on 15 meters SSB. SV2ASP/A comes up about once every 10 days or so. ZL9/K8VIR probably knocked out a couple thousand QSOs. ZS8IR can be found almost daily on 20 meters and usually one other band. Many DX'ers are eagerly waiting for VU2JPS and or VK9NS to show up from Andamans &

Nicobar. There are 3 hams currently on Macquarie, however they have not been on the air yet".
