Access to the main functions of www.425dxn.org is provided by the 425DXN App for Android. It is available on Google Play - free of charge, no ads. Enjoy!

INDEXA NEWSLETTER ---> The Winter 2019 edition (#124) of the International DX Association's Newsletter (INDEXA) is now available for download at http://www.indexa.org/newsletters.html. It contains a complete report by Diego Thobie, F4HAU on the Saint Brandon (3B7A) DXpedition which occurred in April 2018. "We are trying an experiment with this issue of the newsletter. One of our new directors, Otis Vicens (NP4G), has labored alongside your editor to produce a Spanish translation", specifically aimed at the large Spanish-speaking population worldwide. "We hope this effort will indicate there is sufficient interest in continuing with a Spanish translation".

OPDX MAILING LIST ---> "The OPDX Mailing List is back up and running", Tedd, KB8NW announced on 28 January. "However, we are starting from scratch, and only very few e-mail addresses have been added. The new mailing list does not have an automatic subscriber feature and you will have to e-mail me a request to be added". Send your requests to either kb8nw[@]hotmail.com or kb8nw[@]arrl.net.

QSL 9V1OW ---> Masa, 9V1OW (JG1OWV) is QRT from Singapore. All QSOs are confirmed automatically via the 9V bureau. Direct cards now go to his home call's address in Japan, or via Club Log's OQRS ("absolutely no cards through Japan bureau", he says). [TNX JG1OWV]
