*** STATEMENT FROM THE RSGB IOTA COMMITTEE ***

>>> ABSTRACT <<<

Over the last two weeks John Reisenauer (NL7TB) has taken action to bring attention to the high cost of DXpeditions and to his view that the IOTA community should be prepared to share some of the expense. His action took the form of returning a substantial number of QSL cards received for his recent Barren Is operation (NA-206) with the original cards inside with a note making clear his position and asking for donations. Unfortunately, the impression was given that no donation meant no card. John subsequently made it known that cards for those stations would be sent via the bureau.
A number of recipients of returned cards have complained to the IOTA Committee at what they see as unethical behaviour. The IOTA Committee Chairman and IOTA Manager expressed their disappointment to NL7TB at the way in which he made his point. John has apologised and has agreed to send direct cards at his cost to those whose cards he returned. IOTA participants who had cards returned are asked to resubmit them to John with a self addressed envelope or label (no return postage is required) or to e-mail Martin, G3ZAY (at g3zay@dial.pipex.com) with their QSO details and address which he will forward to John.
NOTE: The full text of the statement has been already sent on the 425dxnews Reflector; it is also available on the 425 WWW Page (http://www-dx.deis.unibo.it/htdx/index.html).
