In a press release dated 9 June, Ralph Fedor (K0IR) and Bob Allphin (K4UEE) announced that "contracts have been signed with two Chilean companies to provide a vessel and helicopter for the DXpedition to Peter I, Antarctica during January/February 2006. The actual dates of the operation will be released on or about September 1, 2005, but the general time frame will be between January 16 and the end of February, 2006".
