President Judy Roush, AA7UC

Vice President Ron Wright, ZL1AMO

Secretary-Treasurer Bill Jennings, W4UNP

Directors: Bob Allphin, K4UEE (Chairman); Richard Grant, W9RG; Ron Wright, ZL1AMO; Franz Langner, DJ9ZB; Nellie Saltiel de Lazard, XE1CI

Executive Committee: Judy Roush, AA7UC; Bill Jennings, W4UNP; Ron Wright, ZL1AMO.

KP1-5 PROJECT ---> On 19 October the House Committee on Resources approved H.R. 1183, the bill that, if passed into law, would reopen Navassa (KP1, NA-098) and Desecheo Island (KP5, NA-095) islands to limited public access, and potentially renewed Amateur Radio operations from those islands. KP1-5 Project Director Mike Thomas, NA5U said H.R. 1183 was approved because scores of Amateur Radio operators wrote and called their Congressmen. However, the hard work begins now and Thomas said Congress must hear from hams again: "If we don't send a new message to Congress to move the bill to the House floor, the Fish and Wildlife Service will keep Desecheo and Navassa closed for many years to come". For further information please contact Mike Thomas, NA5U (na5u@kp1-5.com) or visit <http://www.kp1-5.com/>.

PIRATE ---> Maurice, F5NQL reports that VP8MM, supposedly operating from the South Orkney Islands, is a pirate. Save your time and money and do not QSL,

as his announced QSL manager (Jean-Marc, F8IXZ) knows nothing about this activity.

QSL 3C2MV ---> Vitaly, VE6JO, has asked me Gerry, VE6LB to take over as QSL manager for his 3C2MV operation. Most direct cards are up to date, but no bureau cards have yet been processed. The plan is to keep all direct cards current and print a new run of QSLs for the bureau cards in the coming months. [TNX VE6LB]

QSL S79RRC ---> Four maildrops for the S79RRC/A, S79RRC/C and S79RRC/F operations have been established as follows:

K8SIX North America, South America

VE6VK North America

HA1AG Europe

IZ8CCW Italy & Mediterraneo DX Club's members

Any donations will be forwarded to Eugene, RZ3EC. [TNX K8SIX and IZ8CCW]

QSL VIA M5AAV ---> Graham, M5AAV (www.users.zetnet.co.uk/m5aav/index.htm) reports that with immediate effect he is the QSL manager for OK8XB and M5BXB (both calls direct preferred, but bureau cards will be honoured).

QSL VIA PS7JN ---> Joca, PS7JN reports that a few direct requests for his operations from St. Peter & St. Paul's Rocks got "lost" in the mail. He suggests to use IRCs instead of dollars. Those who want to add a donation to return postage are invited to read Joca's instructions on www.qrz.com/ps7jn

TOP 5 QSL MANAGER SURVEY ---> The Golist (<http://golist.net/>) sponsors this performance survey each year to bring recognition to those QSL Managers who gave outstanding service to the DX community in responding to QSL requests. This year's survey will run from 1 November 2005 through 30 January 2006. DXers are encouraged to send a list of up to 5 QSL Managers who gave outstanding response to their QSL requests during 2005. The winners will be awarded a wall plaque or a new plate for their existing plaque. Please send your list to golist@golist.net and place "Top 5 Managers" in the subject line. [TNX K1XN]

WRTC 2006 REFEREES ---> The WRTC 2006 organizers would like to have the referee team completed before the end of the year. Each of the 45 competing teams will have a full-time Referee to monitor implementation of the rules. Referees need to be fully conversant with all the rules and need to stay awake for 24 hours to monitor their team. They also need to have wide contesting-experience on both modes and to be on-site in time for the briefing meetings before the contest. Many applications for this position have already been received, but more would be welcomed, so that the most experienced can be selected for the job. Please send your brief contesting curriculum vitae to these three addresses: py5eg@inepar.com.br, klzz@arrl.org, g3sxx@compuserve.com [TNX PY5EG]
