+ SILENT KEY +

It is with the greatest sadness that we report the passing of Iris Colvin, W6QL on 18 February at 83 years of age. First licensed in 1945 as W6DOD, Iris travelled the world between the 1960s and the early 1990s. Along with her late husband, Lloyd Colvin, W6KG (SK in 1993), she operated from more than 100 rare DXCC countries. She was a member of DXCC Honor Roll, president of the Yasme Foundation and a past president of the Northern California DX Club. Iris was inducted into the CQ DX Hall of Fame in November 1976. <TNX W6OAT and ARRL DX Bulletin>

DXING FROM 7Z5OO ---> "A lot of how I operate 7Z5OO has to do with my personal philosophy of how the DX game should be played", Mike Manafo, K3UOC/7Z5OO says: "I hunt callsigns, not countries. This is at the heart of my DX philosophy of being on the cusp between the rare and the common. My real thrill comes from working someone on a new band that I've already worked on some other band(s). A lot of people have already caught on to this and they actually look for me to give me a new band-callsign". Mike sends out an award to those who have worked 7Z5OO on all 9 HF bands: "it is one way of recognizing those that work hard (sometimes very hard) to play the DX game". Further information is available on Mike's home page at http://members.aol.com/k3uoc/index.htm
