The reason they go out only during the winter is that they must comply with wildlife regulations which prohibit visiting the lighthouse until 1 October each year due to breeding sea-lions and birds. Travel to the rock can ONLY be accomplished by helicopter as the sea approach is treacherous". The group has now hired a smaller helicopter and, weather permitting, Lew will try to set up on Friday evening (16 October) and to operate for 24 hours on 17 October. BT2HC & UE0LEZ ---> Martti, OH2BH reports that the recent special event stations [425DXN 385] were a tremendous success. They received quite a bit of local coverage in both the television and print media, and it is hoped that this enthusiasm for ham radio spreads into other areas of the region. [TNX N4GN]

ERITREA 1998 ---> The Space A DX Group [425DXN 383] 20 operators will have to apply for their license after they are in Eritrea, and each operator will have to pay $500 for his/her operating permit, as they can not operate as a group with one licence. "At this point the donations are just enough to cover the cost of our excessive baggage", Bruce Richards (WD4NGB) reports. "We are planning to use two hotels on opposite sides of town so we can run 4 stations 24 hours a day. If you want this to take place, we will have to get additional donations coming in very soon. We are not asking the DX community to cover the complete cost of the license, which is $10,000, but without some help on this, a large percentage of the operators will not be able to go". Donations can be sent to Eritrea, c/o Bruce Richards, 533 Briarwood Dr., Clarksville, TN 37040, USA and will be returned if the operations does not tak place. For more information, check http://qsl.net/eritrea or http://pagus.it/E31DX [TNX WD4NGB]

ET3AA ---> The log for the recent ET3AA operation from the club station of the Ethiopian Amateur Radio Society in Addis Ababa [425DXN 383] is now available on-line at http://www.bramham.demon.co.uk/ on the ET3AA page (a Java enabled browser is required). Steve (G3VMW) and Andy (G4ZVJ) made 10,300 QSOs as follows (band/QSOs): 10/2266, 12/1451, 15/1994, 17/1431, 20/1321, 30/700, 40/648, 80/40, 160/1 (160 and 80 metres were particularly difficult because of the high levels of QRN). QSL via G3VMW (Steve Wilson, 3 Crag Gardens, Bramham, Wetherby, Wetherby, West Yorkshire, LS23 6RP, England) or via EARS, P.O. Box 60258, Addis Ababa, Ethiopia. Any additional donations will be passed on to the Ethiopian Amateur Radio Society (EARS) to further amateur radio and technical training in Ethiopia. [TNX G3VMW]

LU1XT ---> This has been the new call of Dionisio Andrade, LU8XPD since 4 August. Dion transmits from Tierra del Fuego, IOTA SA-008. [TNX LU1XT/LU8XPD]

MACAO ---> OH2PM (XX9TR) and OH2BH (XX9TZ) were active over the past weekend from Macao while preparing their station there for the upcoming contest season.

QSL VIA HB9BGN ---> Albert, HB9BGN can only confirm contacts made with ZA1A during the 1992 CQWW CW Contest. For all the other ZA stations whose route is "via HB9BGN", Albert acts as a maildrop: "I have no logs and no QSLs of those stations", he says. "I collect the QSL-mail which I receive and forward it to Tirana as soon as we have received 100-150 letters. The next shipment will be at the end of October". Albert has forwarded over 5,000 letters since 1992. [TNX HB9BGN]

QSL VIA IK2DUW ---> Antonello, IK2DUW (Box 22, 20051 Limbiate - MI, Italy) reports he has received the logs from Armenia and has replied to all the direct requests for EK88L [425DXN 380].

QSL VIA IK7JTF ---> He is the QSL manager for Tanya, BV5BG and can confirm contacts made from 1991 onwards. QSL to Salvatore Borace, 3 Trav. Corso Roma N.C., 70010 Cellamare - BA, Italy. [TNX IK2IQD]

ROWLEY SHOALS 1999 (VK9-99) ---> Planning of the VK9-99 DXpedition to Imperieuse Reef, Rowley Shoals (Western Australian Outliers, OC-???) [425DXN 383] is well in advance. The operators will be Jim Model (K9PPY), Sam Pimenta (CT1EEN), Steve Pall (VK2PS) and Mal Johnson (VK6LC, team leader) and they will be active for five days (21-25 September 1999) on SSB and CW with two stations. Donations can be sent to either I1HYW (Gianni Varetto, P.O. Box 1, 10060 Pancalieri - TO, Italy) or VK9-99, Malcolm K. Johnson, Commonwealth Bank of Australia, 187 High Road, Riverton 6148, Western Australia, Account 76 6164 5005591. Further information will be available soon at http://www-dx.deis.unibo.it/htdx/iota/vk9_99.html
