FAKES ---> Michael Bondarev, UA6LU (President of Rostov-on-Don region radioclub) reports the "official information" coming from the local licencing authorities about RV6LAH, whose licence has not been "released to anybody". RV6LAH has been claimed as the QSL manager for EP3LAH, EP/RA6LGM and EK1X: save your time and money!

MOST WANTED SURVEY ---> Carl Smith, N4AA is conducting the 1999 DX Magazine Most Wanted Survey. If you want to send Carl the ones you need, please visit his web site at http://www.dxpub.com and from the home page go directly to the survey. The results will be published in the January/February 2000 issue of The DX Magazine. They will also be posted to the web site around 1 February. [TNX N4AA]

QSL 1A0KM & HV4NAC ---> QSL manager Francesco Valsecchi, IK0FVC reports he is receiving several complaints, especially from the U.S., about his QSLling for these two stations. Francesco (often helped out by Ugo, I0CUT) usually mails the cards from the Vatican Post Office once every 30/45 days and if you do not receive your card(s) within a reasonable time, it is because he has not received your request. He is aware some problems occurred with the Italian post administration and last week he went personally to the Post Office to complain. If you are still waiting for your card(s), please send him another request - do not enclose any green stamp or IRC, just a SAE. [TNX IK0FVC]

QSL 8Q7AM ---> Jose, EA5MB reports he is the new QSL manager for 8Q7AM. He has the logs from 1994 (available at http://www.ctv.es/USERS/ea5mb).

QSL P29VHX ---> Uwe, DJ9HX made 8280 QSOs during his recent trip to four Papua New Guinea groups: 2330 from OC-153, 2558 from OC-008, 906 from OC-025, 2486 from OC-034. He expects to process direct cards before Christmas. Bureau cards can be requested at uwe.jaeger@fh-heilbronn.de [TNX DJ9HX]

QSL YI1AK ---> Cards for contacts made before 4 December 1996 should be sent direct to A. Karim Hadi, P.O. Box 7476, Baghdad, Iraq as Russ, AD5W does not have any logs before that date. [TNX The Daily DX]

QSL VIA PA3GIO ---> Cards for S79GI and all of Bert's operations should be sent to PA3GIO either direct (Bert vd Berg, Parkln 38, Woudenberg 3931 KK, The Netherlands) or through the PA bureau. Do NOT use his address in the U.S.!

T32DT ---> Helmut, DL9MFU reports he is not the QSL manager for this station.
