3V - Giovanni, I5JHW reports he will participate in the ARRL 10 Meter Contest (11-12 December) from 3V8BB.

5T - From 13 to 20 December 1999 the International Amateur Radio Volunteers (IARV) will dispatch eight members to Mauritania to build an emergency medical radio network in some remote cities. During their stay there, they will operate as 5T5U. They will operate mainly WARC bands including 10MHz, 28 MHz FM (29.260) as well as 6m band (50.115 MHz - beacon). QSL via JA1UT. Your kind support will be much appreciated. [TNX G3NOM and JA1UT]

9G - Zdeno, OK2ZW is active as 9G5ZW from Ghana for the next three years. The QSL manager is Miro, OM3LZ (the cards are being printed and he will start processing the requests in early January). [TNX OM3LZ]

CO - A group of Cuban operators (including CO6ZG, CO6ZP, CO6XN, CO7PH, CO6RD, CO6WD, CO6JL, CO6SE, CO6MZ and CM6MNG) plan to be active (on 2-80 metres CW, SSB and FM) from Key Breton (NA-201) on 9-13 December. [TNX The Daily DX]

FS - Members of the North Jersey DX Association (http://njdxa.org/) are active as FS/W2QM from St. Martin (NA-105) until December 8. RTTY and 160 metres operations are planned in addition to the regular HF bands. QSL via W2QM. [TNX ARRL DX Bulletin]

FT5Z - Michel, FT5ZJ is expected to leave Amsterdam Island in about two weeks, around 15 December. QSL via F2YT.

GU - Jim, G0OFE will be active as GU0OFE from Guernsey (EU-114) on 8-13 December. He will participate in the 10 Meter ARRL Contest as MU0C. QSL for both calls via G0OFE (bureau cards can be requested at g0ofe@currantbun.com). [TNX OPDX Bulletin]

H40 - Bernhard, DL2GAC (aka H44MS and H40MS) will be leaving for India on 12 December. At the end of January 2000 he will start a three-month trip in the Pacific area and plans are to operate for abouth three weeks from Temotu in February. He is looking for a RTTY operator to join him on Temotu (WPX RTTY Contest included), where a beam and an amplifier are available. Please contact him by fax at 0049-741-15377. [TNX DJ3IW]

JA - JA6CTW is a new resident on Yakushima, Osumi Archipelago (AS-032).

QSL via JARL. [TNX JE1DXC]

OH0 - Look for OH0Z (Multi-Single) to participate in the ARRL 10 Meter Contest (11-12 December) from the Aland Islands. QSL via OH1EH. [TNX The Daily DX]

PA - Look for Johan, PA3FDO to be active as PA3FDO/p from Ameland Island (EU-038) on 10-13 December, including the ARRL 10 Meters Contest. QSL via home call (not PA3DFO as reported in 425DXN 448: thanks to Gose, PA3GNZ for detecting the typo!).

TY - Philippe, TU2FH/FK8VHU will be in Benin between 6 and 28 December and hopes to get a licence. [TNX F6AJA and Les Nouvelles DX]

VK0_mac - Alan Cheshire, VK0LD (aka GM4EEL, VP8PJ, A4XFY, VS6AC, V85AC, P29AC, VK6CQ and VK8AC) is currently active (operating times depend on his work load) from the ANARE Base on Macquarie Island until late 2000 [425DXN 442]. According to a release from Jim Smith, VK9NS "it seems likely that Alan might be the last amateur radio operator on Macquarie Island for many years to come. He is primarily a CW operator, can operate split [in fact on 3 December he was transmitting on 14.003 MHz and listening 5 up, ed.] and is capable of sustained high QSO rates. He will concentrate mainly on 20M or perhaps 15M to maximise the chance of the DXers working a new country. He seems to be uninterested in chasing around the bands towards the multi-band QSO routine and is not interested in list operations of any sort". For further information please visit http://www.geocities.com/vk0ld/1.html and do not try to get in touch with him through ANARE. Jim also reports that "it seems that QSLing will be done at the end of the tour on Macquarie Island".

VP5 - Fred, K4LQ will be active as VP5/K4LQ from Providenciales, Caicos Islands (NA-002) on 8-15 December. He will participate in the ARRL 10 Meter Contest as VP5W with Bruce, W4OV. [TNX The Daily DX]

YB - YC8ZAM will be active (40, 80 and 15 metres SSB) on 3-5 December to celebrate the 40th anniversary of Sidrap municipality on Sulawesi (OC-146). QSL via YB8BRI (P. O. Box. 73 UPTR, Makassar 90245, Indonesia). [TNX YB8BHC]

ZF - Glenn, W0GJ will be active as ZF2RT from the Cayman Islands (NA-016) on 8-14 December, ARRL 10 Meter Contest included. QSL via W0GJ. [TNX The Daily DX]

**** GOOD TO KNOW ... ****

==========

Edited by I1JQJ & IK1ADH

IOTA 2000 ---> The purpose of the RSGB IOTA Millennium Programme (IOTA 2000) is to celebrate the Millennium, to promote IOTA activity and to have fun on the HF bands. The programme will be administered by the Chiltern DX Club-The UK DX Foundation on behalf of the RSGB IOTA Committee. For full details please visit http://www.425dxn.org/iota/iota2000

BORNEO DXPEDITION ---> The 1999 Hillview Gardens Borneo DXpedition is now

over. A preliminary wrap-up indicates some 21,000 QSOs as 9M6OO/p (Spratly Islands), 6,000 as V85OO, 7,000 as 9M6AAC and 1,000 as 9M6RIT. QSL 9M6OO, V85OO and 9M6AAC via N2OO; QSL 9M6RIT via G4SHF. The web site for the operation is at http://www.qsl.net/n2oo/borneo/ [TNX N2OO]

C6 BUREAU ---> Delano Taylor, C6AFV has assumed duties as Bureau Manager for the Bahamas Amateur Radio Society. The address is P.O. Box F-43563 Freeport, Grand Bahama, Bahamas. Delano currently has thousands of cards for the following:

C6ADR	C6AGH	C6AHK	C6AJJ	C6AKL	C6ANF	C6CR
C6AER	C6AGN	C6AHN	C6AJQ	C6AKP	C6APK	C6LE
C6AFE	C6AGP	C6AHR	C6AJT	C6AKQ	C6ASR	C6LFN
C6AFP	C6AGT	C6AHX	C6AJU	C6AKT	C6AVW	C6MPN
C6AFQ	C6AHE	C6AHY	C6AJZ	C6AKW	C6AXP	C61D
C6AFZ	C6AHG	C6AJA	C6AKA	C6AMI	C6CDQ	KR8V/C6A

These cards will be held for 60 days as of 1 December 1999, If there is no response from these stations, your cards will be disposed of.

NCDXF/IARU BEACON ---> The seventeenth beacon in the NCDXF/IARU Beacon Network came on the air from Novosibirsk, Russia at 0945Z on 26 November 1999. The beacon operator is Yuri Zaruba, UA9OBA and call is RR9O (Radio Radio Nine Oscar). The final beacon will be in Hong Kong, China with the callsign VR2HK. For full information please visit www.ncdxf.org [TNX N6EK]

NOT NA-086 ---> Last week CO0DX operated from Cayo Sabinal and gave NA-086 as IOTA Reference Number. Martin Atherton, G3ZAY (RSGB IOTA Committee Chairman) reports that "according to the British Admiralty charts there is only about 40 metres of separation between the Cayo and the Cuban mainland at the eastern end (possibly via a man-made or maintained channel) - thus the island does not count for NA-086 (as it fails the 200m rule) if this is accurate. If the CO group can submit better maps then the situation can obviously be reconsidered."

P51BH ---> A few readers were surprised at not seeing any mention of this recent "activity" in last week's 425DXN. We cannot but quote what reported by The Daily DX: "The operator is not Martti, OH2BH and the QSL manager is not Kan, JA1BK". Period!

PATHFINDER ---> Pathfinder, a program that searches address and manager databases, as well as country-specific callbooks, makes it easy to find QSL information from web-accessible sources. As of today, its search library represents 60 online sources of QSL information. Pathfinder is free, and contains no advertising. Commercial use is expressly forbidden. See http://www.qsl.net/pathfinder for additional information and download/installation instructions. [TNX AA6YQ]

QSL OD5ZZ ---> Dwaine, K8ME (ex-WA8MEM) reports he is no longer the manager for OD5ZZ. "I have not spoken to Walid in 4 years and I ran out of cards three years ago. Please send all requests direct to Walid in Lebanon". [TNX QRZ-DX]

QSL VK9RS ---> Mal, VK6LC reports that direct cards (via I1HYW) for VK9RS (OC-230) could start to flow around Christmas time, while bureau cards (via

VK6LC) are scheduled for about May 2000. The VK9RS special stamps [425DXN 444] are not for sale because of limited quantity: they have been sent to all VK9RS sponsors, the remaining are available to those who have "supported a reasonable donation with their direct QSL card". [TNX VE6VK]

QSL VIA IK2DUW ---> Antonello reports he has processed all the requests received so far for 3W6KA, 3W6LI, BA4RE, EK6LV and UA0FO. He he still waiting for the RU0LL and RU0LL/a cards to arrive from the printer.

WAZ AWARD MANAGER ---> Paul Blumhardt, K5RT (k5rt@cq-amateur-radio.com) has been appointed CQ WAZ Award Manager, effective immediately. He will succeed Jim Dionne, K1MEM, who passed away in October. All WAZ applications and other correspondence should be sent to Paul Blumhardt, 2805 Toler Rd, Rowlett, TX 75088, USA. [TNX KF2TI]

+ SILENT KEY + Ulli, DL9WVM reports the sad news of the sudden passing of Hartmut "Hardy" Mueller, DL2HZM/PY0FZM on 22 November while on Fernando de Noronha. Gerd, DL5WX (Hardy's brother) and Dietmar, DL2HWA will take all his belongings back to Germany, including the logs for PY0FZM. Cards for DL2HZM and all of his past DXpeditions will be handled by DL9WVM, while cards for PY0FZM will be handled by Gunter, DL3XM. You can express your condolences to Gerd, DL5WX at dl5wx@t-online.de
