DX-CODE OF CONDUCT ---> "It is no secret that the on-the-air behavior of hams, especially in pileups, has gotten worse in the last few years. Unpleasant, uncivil, impolite behavior of our fellow hams reduces the enjoyment of our hobby". How can you help improve ethical conduct? Look at <http://dx-code.org> and "learn more about how to operate and best use your operating skills to make it into the DX log, in a way that is both efficient and follows the ethical standards of operating on the amateur bands". [TNX ST2AR/S53R]
