***** GOOD TO KNOW ... *****

LOGS XF3/EA3BT & XF3/EA3AOK ---> Josep, EA3BT and Nuria, EA3AOK logged 8.422 QSOs during their recent operations [425DXN 336] from Cancun, Mujeres Island (NA-045) and Cozumel Island (NA-090). Logs are now available at http://www.redestb.es/personal/j_gibert

PIRATE! ---> Tariq, AP2TJ reports to 425 DX News that Bob, AP2JZB does not work CW and has no intentions of doing so. The "AP2JZB" who was recently active on CW should therefore be considered as a pirate.

QSL HK0EFU & HK0TCN ---> Jim Vaughan, K4TXJ reports the following: "I used to be QSL manager for HK0EFU and HK0TCN. In 1989 they stopped sending me logs. I have recently used all the QSL cards they supplied and I have sent all the logs that I had back to them. I can no longer answer ANY QSL request for HK0EFU or HK0TCN. Please QSL to P. O. Box 464, San Andreas Island, Colombia."

QSL SU1SK ---> Said, SU1SK reports that IK8AUC is not his QSL manager. QSL requests should be addressed to: Said Kamel Ahmed, P.O.Box 62, Shobra Al-Khima, Cairo, Egypt.

QSL V31DX ---> Art, N2AU is the QSL manager (direct and bureau) for this year's V31DX operation (Ambergris Caye, NA-073) [425DXN 335]. Art expects to get the logs and QSL cards in about 6-10 weeks.

QSL ZL7AA/ZM7A ---> The ZM7A/ZL7AA Chatham DXpedition [425DXN 337] Team leader Lee, ZL2AL reports that very poor propagation at times slowed their progress to approximately 12,000 QSOs. Incoming cards are just starting arrive and hopefully the first QSLs will go out in about six weeks time. QSL via ZL2AL either direct (Lee Jennings, P.O. Box 54, Hastings 4201, New Zealand) or through the bureau.

QSL ZP0R ---> Cards for ZP0R (CQ WW SSB Contest 1997) will be handled by W3HNK (who is also the QSL manager for ZP0Z and CX6VM/CW6V).

ST. KITTS & NEVIS (NA-104) ---> The DX News Sheet reports that "The Nevis Island administration decided to secede from its federation with St Kitts (formed after the countries obtained independence in 1983) on 14 October, and now require a two-thirds majority from the island's 5000 voters in a referendum to implement it".

VK POSTAGE ---> Further information [425DXN 337] comes from Jim, VK1FF (WIA VK1 Division Inward/Outward QSL Bureau Manager). He states that "the most it costs to send a small letter anywhere in the world is VK \$1.20": since 1.00 US\$ = 1.33 VK\$ (at .75c exchange rate), Australian stations "only need 1 US dollar to cover the cost of air mail postage anywhere in the world". Jim also states that 1 IRC is acceptable as well: speaking from his direct experience at several different post offices, he says that "a A IRC has always been redeemed for one first class stamp (small letter) for the zone I'm sending to letter to, which means it varies from a VK\$1.20 stamp to a 75 cent stamp". Please note that a "small letter" should have the following characteristics: "Rectangular in shape - the length of the article must be at least 1.414 times the width; no larger than 130mm x 240mm; no thicker than 5mm; no heavier than 250g".
