6 METRES ---> Jimmy, W6JKV and Dick, K5AND are planning their next 6 metres DXpedition which is planned for October 1999. They could go to Western Pacific (Yap, V63), West Africa (S92) or the Caribbean (J8, J7 or J3). Jimmy has asked Chris, G3WOS to undertake a poll to see what the 'hot' countries are - let him know your suggestions for these three regions by e-mail at g3wos@uksmg.org [TNX IW1DIM]

LIGHTHOUSE WEEKENDS ---> A list of stations participating in the National (7-8 August) and International (21-22 August) Lighthouse Weekends is maintained by Jim Weidner, K2JXW at <http://www.waterw.com/~weidner/ld.htm> [TNX K2JXW]

OOOPS! ---> The 3C0R DXpedition to Annobon Island (AF-039) is scheduled to take place between 14 and 24 SEPTEMBER (not July, as mentioned in 425DX 428!). Thanks to Des, G3LCS for detecting the typo.

PSK31 ---> Maury, I1-21171/IZ1CRR reports a lot of activity over the last few days with several DX countries being heard in Europe (DU, VQ9, LU, PS, ZS, FR, FG, HK, VP5, XE, CX, KP, VK, ZF, V7). Three programmes are available for this mode: PSK31SBW (<http://aintel.bi.ehu.es/psk31.html>), MixWin (<http://www.nais.com/~jaffejim>), Logger (<http://www.itis.net/golist>). Usually PSK31 activity takes place on 14.070, 21.080 and 28.120 MHz.

PY1SL ---> Soni, PY1SL reports he is not the QSL manager for S0WW, which is belived to be a pirate (it was spotted on 17 July on 15 metres).

QSL 3D2SJ ---> The address for Fr Steve, 3D2SJ/T30ED is Fr Steve Dives MSC, P.O. Box 1354, Suva, Fiji. Brian, VK5FV reports that "there is no outward bureau operating from Fiji (Box 184 is a receive only address). Fr Steve has received approximately 100 bureau cards and to answer them directly would incur an unreasonable financial penalty".

QSL 5H3RK --> Maurizio, IK2GZU (who was active as 5H3/IK2GZU in February) has received several cards for 5H3RK. Please note that he is *not* the QSL manager for this station.

QSL BY7 ---> Cards for BY7KH, BY7KG, BY7KR, BY7KS for contacts made on 17-18 July (40, 20 and 15 metres) should be sent to P.O. Box 771, Guangzhou, 510120, People's Republic of China. The four calls were used during the 1999 China Amateur Radio Subarea Student Game in DongGuan. All of the operators were teenager students, in most cases novices. [TNX BD7NQ]

QSL E30HA ---> Antoine, F6FNU is the new QSL manager for E30HA for all stations except from the US, which can still be sent to HA5YPP (P.O. Box 1157, H-1245 Budapest, Hungary). [TNX The Daily DX]

QSL MANAGER ---> Marc, F-11734 (Marc Nogent, 60 Rue Foch, 57390 Audun-le-Tiche, France) offers his services as QSL manager. You can get in touch with at MARC.NOSENT@wanadoo.fr

YI7KRN ---> Bernie McClenny, W3UR, Editor of The Daily DX, reports the following: "Many people are asking about the legitimacy of YI7KRN who has been extremely active since Saturday. Word from the Iraq authorities is that all operations must take place from the club station. The operator (Goran) at YI7KRN is giving his QTH as Saqiz, which is located in the 'Northern No Fly Zone' and is highly unlikely to be legitimate". The address mentioned for QSLling is Box 66815/314, Saqiz, Kurdistan, Iraq.

ZS8D: HELP NEEDED ---> Chris R. Burger, ZS6EZ reports that "the Prince Edward Island Management Committee has refused permission for Deryck Yelverton, ZS8D to erect his tribander on Marion Island. Deryck has been active with a resistively-loaded broadband dipole, but his signal leaves much to be desired. The tribander and amplifier were donated by the NCDXF, and will provide a substantial improvement in signal strength. The tribander is assembled, and ready to be erected if permission is granted". Chris will try to have the decision reconsidered and he is looking for two types of support: 1) Anybody that can supply *substantial information* about the bird strike hazard associated with rotary beams and 2) General shows of support. "If they can see that there really is global demand for activity from Deryck, and that real antennas are necessary, they may relent". Please send your messages direct to Chris at crb@nanoteq.com [TNX The Daily DX]

+ SILENT KEY + CQ Editor Alan M. Dorhoffer, K2EEK became a Silent Key on 19 July at 61 years of age. He started as an assistant editor in 1964 and became the magazine's tenth editor in 1976.
