>>> SAINT-BARTHELEMY, DXCC ENTITY #338 <<<

The French Overseas Department (Departement d'outre-mer, DOM) of Guadeloupe included Guadeloupe (FG), as well as the island of Saint-Barthelemy (FJ) and the French part of the island of Saint-Martin (FS).

On 7 December 2003, Saint-Martin and Saint-Barthelemy voted in favour of autonomy from Guadeloupe, in order to form separate Overseas Collectivities (Collectivites d'outre-mer, COM). On 21 February 2007, the French Parliament passed a bill granting COM status to both Saint-Barthelemy and Saint-Martin. The new status took effect on 22 February, when the law was published in the Official Journal.

As for DXCC, Saint-Martin and Saint-Barthelemy have formed one single Entity for decades - until 14 December 2007. This is the official release from the ARRL Headquarters, dated 19 December:

The ARRL DXCC Desk is pleased to announce the addition of St Barthelemy (FJ) to the DXCC List, making the island entity number 338 with an effective date of 14 December, 2007. Cards with contacts dated December 14, 2007 or after will be accepted for DXCC credit. New card submissions for St Barthelemy will not be accepted until January 1, 2008 in order to allow time for administrative adjustments.

The "event date" that caused St. Barthelemy to be added to the DXCC list was December 14, 2007, the date the US State Department Fact sheet was updated by the Bureau of Intelligence and Research. This update added St Barthelemy to the List of Dependencies and Areas of Special Sovereignty with its Administrative Center in Gustavia, qualifying it under DXCC rules in Section II -- 1 Political Entities (c).

French St Martin (FS), while also added to the List of Dependencies and Areas of Special Sovereignty, will remain on the DXCC List, but it is now considered a Point 1 Political Entity under the same classification as that of St Barthelemy.

Please direct any questions you may have about St Barthelemy, St

Martin or the DXCC program to the ARRL DXCC Desk (dxcc@arrl.org).
