2009 CQ DX MARATHON ---> Submissions for the 2009 edition of CQ Magazine's DX Marathon will be accepted until 31 January. All participants are urged to review their scoresheets carefully as many submissions already received have zone errors, especially with regards to Zone 2. Please also watch submissions for Zones 3, 4 and 5, as the prefix for US stations is not necessarily an indication of the actual station's location. Please check the zone carefully for any Antarctica QSOs as well. The DX Marathon website (www.dxmarathon.com) provides details on countries and zones, including a special page just for Zone 2 stations. If errors are discovered, revised scoresheets may be submitted until 31 January. The callsigns of submitted logs will be posted on the DX Marathon web site and updated on a regular basis until 31 January. High claimed scores will be posted after that date. [TNX K9EL]

ANTARCTIC CRUISE ---> Mehdi Escoffier, F5PFP is organizing another amateur radio 6-week Antarctic cruise to take place in February-March 2011.
