Do not forget to give a look at the Announced Operations listing maintained by Bill, NG3K at www.ng3k.com/Misc/cqs2012.html - good contest to you all!

GOOD TO KNOW

30 METER WEEKEND ● Celebrating the 30 Meter Digital Group's 5th anniversary, the 30 Meter Multi Mode Weekend will run on 27-28 October. This is not a contest, but an event to "promote awareness" of the 30m band. Complete information can be found at <http://www.30mdq.net/news.html> [TNX KB9UMT]

3D2C ● The DXpedition to Conway Reef went QRT earlier than expected, around 00.00 UTC on 3 October, after 71,693 QSOs. Their final log, statistics and OQRS are on <http://www.yt1ad.info/3d2c/index.html>. They expect to have QSL cards in the mail in late November and to "upload to LoTW within six months".

425 DX NEWS MAGAZINE ● The September 2012 issue is now available for download at www.425dxn.org/monthly/index.html. [TNX IZ3EBA]

AUSTRALIAN POSTAL RATES ● Effective 22 October, the new rate for "greeting cards" (must be enclosed in a sealed small letter envelope and endorsed CARD ONLY) up to 20 gr to any destination is AUD 1.65 (= USD 1.70). The new rates for airmail letters up to 50 gr are AUD 1.65 for destinations in the Asia/Pacific zone, and AUD 2.25 for destinations in the rest of the world. An online postage calculator is provided by Australia Post (<http://auspost.com.au/>)

AZORES NINE ISLANDS HUNT ● The lottery draw for two free travel packages to the Azores will take place at DARC Headquarters in Kassel, Germany at 1100 UTC on 15 October. The winners will be announced immediately hereafter at <http://azores-islands-hunt.com/announcing-the-winners/>

BANABA 2013 ● The March 2013 T33A DXpedition to Banaba [425DXN 1116] has been cancelled owing to logistic problems.

CLIPPERTON 2013 ● The March 2013 DXpedition to Clipperton Island has received the callsign TX5K to be used during the operation; the QSL manager will be N200. The DXpedition will be active on all HF bands and modes for about 10 days. One space remains available for another operator, scientist, or other supporter who wishes to join the DXpedition. You can see the current team, along with a complete description of the project, on the DXpedition website (www.cordell.org/CI/). If interested in joining the team, please contact Bob, KK6EK (kk6ek@cordell.org) or Chris, DL1MGB (chris@dl1mgb).

CQWW CONTEST DIRECTOR ● CQ Contest Hall of Fame member and WPX Contest Director Randy Thompson, K5ZD has been named Director of the CQ World Wide DX Contest, effective immediately. He succeeds Bob Cox, K3EST, who retired in September after 35 years. Randy's appointment to the directorship of the CQWW creates a vacancy for director of the CQ WPX Contests. Anyone interested in taking on the challenge of leading a major contest should contact Randy at k5zd@cqwpx.com.

DXCC NEWS ● J5IFD (Guinea-Bissau, 2010 operation) has been approved for DXCC credit. [TNX NC1L]

HF STATION YOUTH GIVEAWAY ● To encourage youth in DXing and contesting, the Amateur Radio Supplies owner management team (N1SNB and N0TG) will provide a complete HF station to a deserving young operator. Applicants are welcome from any location in the world provided they are 21 years of age or younger. Details on <http://www.amateurradiosupplies.com/youth-s/222.htm>

IARU NEWS ● The Directors in IARU Region 3 have voted to appoint Peter Lake, ZL2AZ as the Chairman of IARU Region 3. He replaces Michael Owen, VK3KI, who passed away unexpectedly last month.

JOTA ● The Jamboree on the Air is an annual event in which half a million Scouts and Guides all over the world make contact with each other by means of amateur radio. The 55th edition will take place on 20-21 October. Specific "contest-free frequencies" for 80, 40, 20, 15 and 10 metres have been agreed with the organizers of the concurrent WAG Contest in order to avoid interference between the two events. Check www.scout.org/en/information_events/events/jota

NWRW 2012 ● The National Wildlife Refuge Week combines Amateur Radio communication capabilities with enjoyment of the outdoors to help others learn about the National Wildlife Refuge System. Amateur radio stations will be active from a number of wildlife refuges on 14-20 October under guidelines established in cooperation with the U.S. Fish & Wildlife Service. Information on this special event can be found at www.nrwweek-radio.info

OPERATION CANCELLED ● Bad weather conditions have forced OG9X, OH2HAN and OH6XX to cancel their 25-29 October activity (OJ0B, OJ0X and OJ0MI) from Market Reef [425DXN 1120].

OPERATION CANCELLED ● Bill, KG4WV and Ed, KG4KL are now QRT, nor will John KG4EM and Norm KG4AJ participate in the CQWW SSB Contest, "due to loss of the ham shack to Hurricane Sandy which took off the roof and damaged several antennas". [TNX The Daily DX]

QSL ET3AA ● "Anyone working ET3AA should no longer use the P.O. Box 7392", The Daily DX reports, as the widow of the late Sid May, ET3SID "has apparently refused to give the P.O. Box Key for the ET3AA club station and likewise is not forwarding QSL envelopes to the students at the ET3AA club station". So N200 "has agreed for the short turn to handle the QSL chores, and K3LP will have QSLs prepared and printed".

TOP LISTS ● The latest Topband, Topmode and Toplist listings are now available at www.425dxn.org/awards/toplist/index.html. QSOs confirmed through LoTW or included in on-line logs are eligible for listing. Send your scores, as well as any request for further information, to Luciano Lucini, IK2QPO (ik2qpo[at]425dxn.org).

W/VE ISLANDS ● The W/VE Islands QSO Party will take place from 16 UTC on 20 October through 23.59 UTC on the 21st. Complete information can be found at www.usislands.org/contest_rules.html

ZD9UW ● The "Baltic Trader" departed Tristan da Cunha earlier than the scheduled date of 5 October. Considering the limited amount of time, Rob MOVFC concentrated purely on HF SSB in order to get as many people in the log at least once as possible. He went QRT around 12.30 UTC on 4 October, with 4270 QSOs in the log from less than four days on the air.

+ SILENT KEYS + Bob Paton, VK2ABP passed away on 14 October at only 36 years of age. Back in 2008-09 he spent twelve months at Davis Station, Antarctica, and was QRV as VK0BP and AX0BP.
