CHILTERN DX CLUB ---> On 21 July the Chiltern DX Club (www.cdxc.org.uk), the UK DX Foundation elected its Committee for the coming year: G3NUG (President), G3SVL (Chairman), G3USR (Treasurer), G4LDL (Secretary), G3RFX (Digest Editor), G4AXX, G4FKA and G4PFF.

CQ CONTESTS NEW DEADLINE ---> Participants in CQ-sponsored contests will now have five days after the end of a contest to either upload or mail their logs. "This is the first step in an effort to speed the processing and reporting of CQ contest results", CQ magazine Editor Rich Moseson (W2VU) explained, "and it is one more step in our ongoing efforts to help ensure the integrity of submitted logs. Shortening the deadline reduces the time available for those who might be tempted to 'cleanse' their logs after the contest". However, "we realize that in some cases circumstances may not allow a timely submission", CQ WW Contest Director Bob Cox (K3EST) says. "Requests for an extension must be received before the log submission deadline by sending an e-mail to [questions\[at\]cqww.com](mailto:questions[at]cqww.com)". The change takes effect with this year's CQ World Wide DX Contest and will apply to all future CQ-sponsored contests.

CY9M & IOTA CONTEST ---> CY9M, St. Paul Island (www.cy9m.com) will participate in the IOTA contest this weekend. Their contest operation will be limited to 20 metres only, SSB and CW. The contest log will be merged with the regular DX operation, so there is no need to work them twice. The CY9M QSL card will be used for confirmation, the log will be uploaded to LoTW and submitted to the IOTA Contest manager.

V8 & 6 METRES ---> The Magic Band is coming back to Brunei after a silence of more than ten years. The V84SMD expedition (11-23 November) has been granted permission to be active on 6 metres, and will have a dedicated antenna. See <http://www.mdxc.org/v84smd/>

+ SILENT KEYS + Paul Caboche (3B8AD, ex VQ8AS and VQ8AD) passed away on 24 July. Born in 1918, he was the oldest amateur radio operator in Mauritius and the first Chairman of the Mauritius Amateur Radio Society (1967-93). Other recently reported Silent Keys include Sergey V. Zhuchkov (R9WW), Charles D. Shinn (W5PG) and George S. Badalian (EK6GB), a doyen of amateur radio in his country and the President of the Federation of Radiosport of the Republic of Armenia (FRRA).
