701A: DXCC NEWS RELEASE ---> The following statement is dated 7 March
(source: <http://www.arrl.org/arrlletter/970307/#701a>): "In the wake of
questions raised about the status of the December 1996 701A operation from
Aden, Yemen, the ARRL has been in touch with the Ministry of Communications
in that country. The Ministry of Communications in Sana'a, capital of Yemen,

for Amateur Radio. Therefore, the 701A operation cannot be accepted for DXCC
credit". For more information, please contact Bill Kennamer, K5FUV at e-mail

+ SILENT KEY + The IOTA community mourns the recent sudden passing of Etienne (Steve) Heritier, HB9DX. Roger Balister, G3KMA, RSGB IOTA Manager reminds us that Steve was IOTA's benefactor at last year's Windsor Convention. Moved by a feeling of extraordinary generosity he gave the Yaesu FT-990A, star prize of the raffle, to the Programme. IOTA subsequently, with his agreement, exchanged it for two portable FT900 rigs making a total of three which are now available for loan to DXpeditions.

+ SILENT KEY + Member of the Magnolia DX Association Ken Ward, WQ5H became a silent key on 3 March.
