ALL ASIAN DX CONTEST ---> JARL (the Japanese Amateur Radio League) will sponsor the ALL ASIAN DX Contest, which will be held this summer. Further information and rules can be found on the JARL web site at http://www.jarl.or.jp/English/4_Library/A-4-3_Contests/AA_Rule.htm [TNX JJ1ANW]

FM/F2JD ---> Gerard is closing down his station from Martinique and will be back in France next week after 11200 QSOs (6600 CW, 1000 RTTY, 3600 SSB). [TNX F6AJA and Les Nouvelles DX]

NA-082 ----> Silvano, KB5GL was active from Ship Island on 17 March for a couple of hours only. He started around 11 a.m. local time and had to stop after some 200 QSOs (95% with Europe) when he was informed the ship would leave three hours earlier than scheduled due to the bad weather conditions. He plans to be back to the island in late April or early May. [TNX KB5GL]

QSL A35RK ---> Paul Kidd, A35RK reminds DXers that Tonga has not had a functioning QSL bureau (either incoming or outgoing) since 1996. The Kingdom of Tonga has a licensing authority (Tonga Communication Commission), but there is no national amateur radio society, no radio club of any sort, and no QSL bureau. The only possible QSL route for A35RK is via W7TSQ.

QSL A51AA ---> Please note that Gerard, F2VX can confirm contacts made with A51AA in September 2000 only. He is not the QSL manager for the newly licenced A51AA.

QSL A52UD ---> Charly, A52UD reports all direct requests for A52UD QSLs have been answered to date. Bureau o cards will be processed next autumn.

QSL UA0FZ --> Antonello, IK2DUW reports he is no longer the QSL manager for UA0FZ. He can confirm QSOs made between 1 January 2000 and 31 January 2001 only. Cards should be sent to Antonello Passarella, P. O. Box 13448, 20051 Limbiate - MI, Italy).

QSL VK2IOM ---> If you still need a card for VK2IOM (OC-223, 13-14 September 1997), please send your request to JS1DLC (Ken Arakawa 1-17-2 Hachimandai, Sakura City, Chiba 285-0867, Japan). He was one of operators and now has logs and QSLs. [TNX JA9IFF/1]

QSL VK0MM ---> Alan, VK4AAR reports that all QSL requests for VK0MM cards received to 20 March have now been processed. "There were some 'not-in-log'

replies sent out", he says, "but please be assured that they were not sent out without a thorough check. Therefore it is useless to contact me for further checks. I have already done all that is possible". Also please note that Alan has neither the logs nor the cards for VK0LD or AX0LD. Requests for VK0MM should be sent direct only to Alan Roocroft, P.O. Box 421, Gatton, QLD 4343, Australia.

QSL ZA5G ---> Florian, ZA5G says he has never had a QSL manager. Cards should be sent direct only to Florian Gjonej, P.O. Box 210, Shkoder, Albania.
