My three mirror addresses (i1jqj@425dxn.org, i1jqj@ari.it and i1jqj@amsat.org) will be activated on this basis within a few days.

COMOROS 2001 ---> The Five Star DXers Association, closely linked to CDXC (Chiltern DX Club), the UK DX Foundation, was formed from the core group who organised the very successful 9M0C DXpedition to the Spratly Islands in February 1998. The Association will undertake a major all-band all-mode expedition to the Comoros (AF-007) next February, when a large multinational group of operators will operate as D68C for almost three weeks, including three weekends. They will have six high-power HF stations active simultaneously when band conditions allow and activities will encompass SSB, CW, RTTY, PSK31 and, as appropriate, FM. QSL via G3SWH. [TNX G3XTT]

KH5K: HELP WANTED ---> The following comes from Garry, NI6T: "The Kingman Reef DXpedition needs a medical professional on the team. We anticipate the usual bumps and coral scrapes, heat exhaustion and tropical fungi, but the possibility of an accident, requiring more than basic first aid, makes inclusion of a medical person a necessity for us. We will consider physicians, emergency medical technicians (paramedics), and registered nurses. Good interpersonal skills are critical; good operating skills - on one or more modes - will be a plus. The successful applicant must commit to the October 15 to November 5 DXpedition timeframe, travel to and from Honolulu at his or her own expense, and contribute \$2500 as his or her personal participation in the adventure." Please reply to Garry, NI6T at

ni6t@intuitive.com

QSL 4L1W ---> Albinas, LY2MM is the QSL manager for 4L1W. He can process direct requests, while bureau cards (or direct cards without return postage) are forwarded to his friends in Tblisi ("I hope they will reach their destination and will be answered", Albinas says, "but I can't figure out how long it will take". LY2MM's address is: Albinas Staraitis, Box 813, LT-3009 Kaunas, Lithuania.

QSL 9A/IK4SDY ---> This card does not mention the name of the island(s) from which Onda operated in 1998. She reports that she was active from Krk Island (EU-136) on 8-9 August and Losinj Island (EU-136) on 11-12 August, while on 15 August she was on the mainland.

QSL KH6ND/KH5 ---> Logs through 14.27 UTC on 17 August have been received and QSOs are being confirmed everyday. However "logs beyond that date will not be sent anytime soon due to a runway problem that does not allow the resupply airplane to land", Tom, N4XP reports. If your QSO(s) is/are after 17 August, please be patient.

QSL OZ/G3PMR/M ---> Alan, G3PMR welcomes e-mail requests for his recent brief operation from Fyn Island (EU-172). Give the usual details and specify if you want a bureau card or plan to collect your QSL at the RSGB International HF & IOTA Convention to be held in October. Alan's e-mail address is g3pmr@shacklog.co.uk [TNX G3PMR]

QSL PA6Y ---> This special event call was aired by PI4RCK (Radio Club Kennermerland, Westerduinweg 9, NL 1976 BV IJmuiden, The Netherlands) on 21-28 August to celebrate "Sail 2000" in Amsterdam. An award is available as well, for details e-mail Theo, PB7CW (pb7cw@qsl.net).

QSL RI0ZKR ---> The QSL manager for RI0ZKR (AS-095, July-August 2000) is RA0ZD: Alexey Antipov, P.O. Box 51, Petropavlovsk-Kamchatsky, 683049, Russia (cards sent to POB 81, Petropavlovsk-Kamchatsky 683038 will be delivered, so there is no need to send second requests). Also please note that Alexey, RA0ZD is not the QSL manager for RK0FWL/p (incoming letters are being routed to RK0FWL). [TNX RA0ZD]

QSL TU2MA ---> Arno, OH7XM is not the QSL manager for TU2MA. Cards should be sent to Michel Toure Vakaba, Box 520, Abidjan 01, Ivory Coast. However, if you have problems in getting cards from TU2MA, OH7XM may be able to help you. [TNX LU1BCE]

QSL VU3DJQ ---> Ram announces that he will QSL automatically through the bureau for all QSOs, including contests. If you need a direct card, the address is C.K.Raman, F-25/11. Dilshad Colony Delhi 110095, India.

QSL ZD9IL ---> The last ZD9IL log received by QSL manager ZS5BBO (Edwin Musto, P.O. Box 211032, Bluff 4036, South Africa) was dated 30 June 1998, while the last log mailed by Ian has come up missing, the OPDX Bulletin reports. Ian will send a copy of his log in late September, when the next mail ship leaves the island. For the time being, please be patient and refrain from sending second cards.

QSL VIA IK8VRH ---> Recently Tony was active from the islands of Dokos (EU-075), Elafonisos (EU-113) and Schiza (EU-158). Cards will be ready in late September and can be requested either direct or through the bureau. Please note that Tony's current and only address is: P.O. Box 173, 80016 Marano - NA, Italy. Do not send your card to the old address (Via Baracca). [TNX IK8VRH]

+ SILENT KEY + The following announce comes from Don, AA5AT: "To the DX world I am sorry to pass on to you that 'Brad' Douglas Bradford, KZ5Q became a silent key on 31 August. He will be missed by many in the CW world."
