NOT THE MANAGER ---> Brendan McCartney, G4DYO (a former editor of the DX News Sheet) has been QRT for many years, yet he still receives QSL cards from people who believe he is a QSL Manager. "Usually they are for D6 callsigns", he says, "but today I received one for a D4 call. All of the stations must be pirates because I have never heard of them and I am not a QSL Manager for any station for many years".

OD5/I1HJT ---> Alfeo reports that his September 2003 operation from Lebanon has been approved for DXCC credit.

QSL KL7Y ---> All known requests for QSO confirmations with KL7Y (SK) have been mailed. This includes requests that were sent to KL7Y, direct or via bureau, or to other QSL managers, including W8LU. "I believe I have all KL7Y logs with the exception of his contest logs prior to 1994", Ken, W8LU says. He will be happy to respond to any requests either direct or via the bureau. [TNX W8LU]

QSL NA-225 ---> Jim, K9PPY and Mike, K9AJ are currently answering the direct requests for their K9PPY/VY0 and K9AJ/VY0 operation. QSL requests via the bureau will be answered as they arrive. Those who are interested in receiving a confirmation for their 2004 IOTA Annual Update, should send their card direct for a quick response. [TNX K9PPY]

QSL OJ0LA ---> Bureau cards for the September 2003 operation from Market Reef can be requested by e-mail to la9vda2003@yahoo.no [TNX LA9VDA]

QSL YC7SKM ---> Antonio, IZ8CCW reports that effective immediately he is the new QSL manager for YC7SKM (OC-088).

QSL YJ8MN ---> After working in Vanuatu for about three years, Masahiro Nada, YJ8MN (JH3IIU) will leave that country and go back to Japan on 21 November. Do not use his Port Vila address any longer, but send your cards to JH3IIU, direct or through the JARL bureau. [TNX YJ8MN/JH3IIU]

QSL VIA N6AWD ---> Fred, N6AWD says that the QSL cards for XF1K (NA-162) and V73T (OC-263) are presently at the printers and should be arriving by the end of the month.
