3Y0X ---> The 2005 Peter I DXpedition [425DXN 696] has been awarded a major sponsorship grant by the Northern California DX Foundation, Inc. (NCDXF). The DXpedition is funded principally by the contributions of its twenty-one members plus this very generous grant; however, because of the extraordinary cost of chartering the vessel and its helicopter to travel safely to and from this remote location, additional assistance is still being sought from the world-wide DX community. For further information on the DXpedition, and how to contribute to its success, please visit www.peterone.com [TNX N4GN]

NCDXF ---> The Northern California DX Foundation, Inc. (www.ncdxf.org) announced on 18 September at the W9DXCC DX Convention that it has awarded major sponsorship grants, for the 2005 Kerguelen Islands (FT/X) and Peter I (3Y0X) DXpeditions. Together, these grants exceed \$100,000, and represent the largest grants made in the history of the NCDXF. "These exceptional grants

were awarded in light of the rarity of operations from these locations, the significant individual contributions being made by the participants themselves, as well as the very high cost of mounting DXpeditions to such remote locations," said NCDXF President Len Gerald, K6ANP. [TNX N4GN]

NOT THE MANAGER ---> Fred, DL1DBF is receiving 3V8 cards for which the correct QSL route is via Mustapha, DL1BDF. [TNX DJ2YA]

NOT THE MANAGER ---> Marco, IV3NCC says he is receiving cards for Omani stations (A47RS included) for which he is not and has never been the QSL manager. He can confirm only contacts made during his own A4/IV3NCC and A4/IV3NCC/p (Suwadi Island, AS-112) operations.

QSL LU1ZA ---> The new address for LU2CN is: SARA - Servicio Auxiliar de Radioperadores de la Armada, Avda Comodoro Py 2055, Piso 12, Oficina 42, 1105 Buenos Aires, Argentina. LU2CN is the QSL route for LU1ZA, the Orcadas del Sur Navy Detachment (LU-14) on Laurie Island, South Orkneys (AN-008). [TNX LU1BW]

QSL ST2T ---> Dane, ST2T (S57CQ) will remain in Sudan for the next two months, and QSL cards will not be printed before the end of his activity. His QSL manager (S57DX) also reports that many are sending useless old style IRCs to cover return postage expenses. So please be patient, do not send second cards and above all do use new style coupons. [TNX S57DX]

QSL TR8CX ---> Please note that the new address for Xavier, F5PBQ/TR8CX is: Xavier Cholat, Les Thermes, Domaine Saint-Jean, 73230 Saint-Jean d'Arvey, France. [TNX F5PBQ]

QSL VK8AN ---> The list of stations managed by VK4AAR [425DXN 698] was taken from Alan's automatic signature, which included VK8AN by error. Please note that Dan manages his own QSLs for operations from his home, while VK4AAR looks after the DXpeditions to islands (VK6AN, VK8AN/6 and VK8AN/8). VK4AAR has neither logs nor cards for VK8AN. [TNX VK4AAR]

QSL VK9CJ ---> Uwe, DJ9HX reports he is receiving lots of cards for the November/December 2003 VK9CJ operation. Please note that Uwe can confirm contacts made during his own operation (July/August 1995), while the QSL route for last year's activity is via JA1KJW.

QSL ZK3DX ---> Erik, SM0AGD can confirm only contacts made with ZK3DX (and ZK3CW) in October 1999. The callsign has been reissued and the QSL route for the current ZK3DX is via EB2AYV.

UKRAINIAN DX CONTEST ---> Sponsored by the Ukrainian Contest Club (UCC) and the Ukrainian Amateur Radio League (UARL), it will take place on 160-10 metres (WARC bands excluded) CW, SSB and RTTY, from 12 UTC on 6 November through 12 UTC on the 7th. Full rules and results are available at <http://urcc.com.ua/> or <http://www.qsl.net/utlia/> [TNX UY5ZZ]
