- 3Y0 - The DXpedition to Peter I (3Y0X) has been given a substantial grant by the ARRL/Colvin Award, which is is important to their overall DXpedition financing. The team has been assigned the special Chilean Antarctic call sign of XR9A for use to/from Peter I. They hope to be QRV from Punta Arenas for a few days and then maritime mobile to and from the island. There is a possibility that the team will also be QRV from the South Shetlands for a few days after the DXpedition is complete. The latest first hand news and updates on 3Y0X, as well as information on how to contribute to the DXpedition, can be found at www.peterone.com
- 60 - The 600N team of operators [425DXN 759] now includes I1HJT, I2YSB, IK1AOD, IK1HJS, IK2DIA, IK2CIO and IK2CKR. They expect to arrive at Galkayo around noon on 19 January and to be QRV with the first of their three stations in the late afternoon. Plans are to be active until 1 February, as their flight back is scheduled to leave on the 2nd. Look for 600N to participate in the CQ WW 160M CW Contest on 28-29 January.
