425 DX NEWS MAGAZINE ---> The latest issue (July 2006) is now available at <http://www.425dxn.org/monthly/>. Articles and pictures should be sent to Nicola Baldresca, IZ3EBA (iz3eba@ari.it).

9G5UR & 9G5A/P ---> Vlad, UY5ZZ reports he made 10,370 QSOs during his 4-14 July activities from Ghana. He operated as 9G5UR from the mainland and participated in the IARU HF World Championship (1750 QSOs); on 12 July he logged 970 QSOs as 9G5A/p from Nunu (Abakwa) Island (AF-084). The cards have been printed. QSL via home call, direct (Vladimir F Latyshenko, P.O. Box

4850, Zaporozhye, 69118, Ukraine) or bureau.

DXCC NEWS ---> KH8SI (Swains Island) has been approved for DXCC credit. Also approved are K1ER/KH8, KS6FO/KH8, WH7S/KH8, K8YSE/KH8, AH7C/KH8 and KH6BK/KH8, from 28 July through 2 August 2006. [TNX NC1L]

ILLW ---> This year the International Lighthouse/Lightship Weekend, dedicated to the memory of its founder and organiser, the late Mike Dalrymple (GM4SUC), will take place from 00.01 UTC on 19 August until 23.59 UTC on the 20th. Full information on this popular event can be found at <http://illw.net/index.html>. Announced operations are listed at http://illw.net/2006_list.htm

KH8SI ---> A brief travel report and a few pictures of the KH8SI operation from Swains Island can be found at <http://www.iiinet.or.jp/JA1BK/>. Talking of KH8SI, it appears that a piece of information circulated last week and reported by the DX media (425DXN included) was a fake: "we are not stupid to run generators near island residents", Kan, JA1BK says. "Both CW and SSB station tents are located on beach and residents house are located in 300 meters away".

QSL G3XAQ/6Y5 ---> Phil, G3SWH has recently acquired the logs and a small number of cards for G3XAQ/6Y5's operations from Jamaica back in December 1992, November/December 1995, December 1996 and November/December 1999. The logs are on paper and they will not be uploaded to LoTW. As always, Phil's QSL policy is: direct preferred, bureau is OK or E-mail for a bureau card. [TNX OPDX Bulletin]

QSL VQ9LA ---> Larry Arneson, VQ9LA says that after 1 September 2006 he will no longer accept IRCs. Diego Garcia has no place to redeem them and his contact stateside no longer will buy his coupons. All QSL cards with IRCs for VQ9LA, VQ9X and VQ9IO received after 1 September will be placed in the outgoing QSL bureau.
