

## **C.I.A. - CAMPANIA ISLAND AWARD**

The TOP Radio TEAM, with the patronage of the A.R.I., it promotes the permanent Diploma of the C.I.A. Campania Islands Award.

All the islands are valid, rock -cliffs, you surround to 360° from the water, of natural formation that you emerge always from the water independently from the tides and that they have an enough surface to welcome the complete mobile station as well as the operator. It is not remarkable to the goals of the Award her distance from the firm earth.

The Award with the purpose to differentiate him from other national Award and to regional character is endowed with just rule and relative references, to the only purpose not to create confusions.

The bands and the allowed ways are: 20/40 ms SSB; 2 ms SSB; 6 ms SSB.

The C.I.A. is released to OM, YL, SWL, Italians and foreigners and to achieve the basic Award (Papery, graphics as HR) it is necessary to have confirmed 25 is lands/scoglis activated to do had given since 1<sup>st</sup> January 1998.

They are valid QSL confirmed of valid islands for the I.I.A. provided that inclusive in the list C.I.A. and you connect in the periods foreseen by the Award.

For the Honor Roll is necessary to have confirmed 50 island /scoglis in the times and in the ways foreseen by the Award, consistent in a plate representative serigraphy the Region Campania with islands, rock-cliffs and symbols traditional.

The cost of the Award: basic Award €15, Honor Roll €25 and the applications will have to be you forward to the Award Manager IK8MRA Gianni. The QSL Manager for all the activations of the TRT to which will be envoys all the logs: IK2PZG Bruno. Controllers of the Award: IK8UHA Antonio, IK8JUZ Anthony, IK8VRH Antonio. For further information IK8UHA I address E -mail ik8uha@amsat.org - Home BBS: IK8URC -8 - Packet Cluster: IK0OHU -6.

All the OMs of Campania can individualize is land/scogli and to signal her, the TRT will reference her and it will include her in list.

Every year will be published on R.R. the classifications. Who wanted to stick to the TRT it will have to do to reach to IK8UHA her own generalities.
