## Guglielmo Marconi Award

---

The A.R.I. founds the Guglielmo Marconi Award, to commemorate and to valorize the work of the great scientist.

This Award celebrates the most significantly experiments effected by Marconi in various parts of the world.

The Award will free be released to whom will show to have connected (or listened) the places from which Marconi effected such experiments.

To get it is necessary to send to the A.R.I. Section of Bologna, a containing log all the details of the QSO, or of the relationships of listening and besides: 40 QSL of the mentioned places or 35 QSL of the places mentioned anymore the official QSL of the commemorative station IY4FGM and another of the other commemorative stations, for a total of 37 postcards.

On the log it is necessary to specify, in a well evident way, the city, to region or the place of which drawn aside himself. For the return of the postcards, all it takes is attaching the necessary one for the expenses back postal, in case I cross the postcards you will be postponed to the sender by bureau.

The Award can be gotten in the following ways of issue:

SSB, CW, RTTY, SSTV and mixture.

Limitations don't exist for what concerns the gangs to use (naturally only those to us attribute).

You will be held valid the QSL confirmed after the date of 1<sup>st</sup> January 1973.

The applications will have to be late to the following address:

A.R.I. Section of Bologna - P.O. Box 2128 -  
40100 Bologna (ITALY)  
E-mail: [info@ari-bo.it](mailto:info@ari-bo.it)
