Certificate winners and their scores for the 2006 through 2009 Marathons are listed on the DX Marathon website ([www.dxmarathon.com](http://www.dxmarathon.com)), which includes also helpful hints to avoid common errors, a list of known pirate stations that will not likely count for the 2010 Marathon and a DX Marathon scoresheet as a template on Google Docs. Commencing at 0400Z (12:00 AM local time) on 10 October, 2010, operation from the islands of Curacao, Bonaire, Sint Maarten, Saba, and St Eustatius will count for a yet-to-be-determined number of new entities under the DXCC List Criteria, and Political Entities, Rule 1 and/or Rule 2 Geographic Separation Entities. When the Awards Committee determines what Rule 1 or Rule 2 actions apply, it will announce the final disposition of the

entities on the DXCC list.

The DXCC desk will not accept confirmations for these new entities until after 1 January, 2011".
