NEW IARU MEMBER SOCIETY ---> On 28 May the IARU member-societies completed voting on the admission of the "St. Kitts-Nevis-Anguilla Amateur Radio Society" (SKNAARS) to the International Amateur Radio Union as the representative of the radio amateurs of the Federation of St. Christopher St. Kitts) and Nevis. SKNAARS (<https://sknaars.weebly.com/>) does not claim to represent Anguilla, which is already represented in the IARU by the Anguilla Amateur Radio Society; the inclusion of Anguilla in the name of SKNAARS dates to an earlier time. With 56 affirmative votes required for admission there were 62 affirmative votes cast, with no dissenting votes. SKNAARS thus becomes a member of the IARU and of IARU Region 2. POSTAL RATES (ITALY) ---> Italian postal rates for standard letter items (up to 20g) mailed abroad will change on 3 July:

VOACAP ONLINE HF PREDICTIONS ---> The VOACAP Online HF Predictions service (<http://www.voacap.com/hf/>) is a replacement for and a consolidation of the previous VOACAP Online P2P (point-to-point) service and VOACAP Online Coverage Maps. These two previous services will be closed down by mid-July. The User Manual (17 June 2018) can be found on <https://voacap.blogspot.com/>.

The new service uses VOACAP (Voice of America Coverage Analysis Program) as its calculation engine, requiring the use of a reasonably new web browser. For example, the latest versions of Microsoft Internet Explorer, Mozilla Firefox, and Google Chrome are known to work. The earlier versions may not be supported. If you encounter problems with the service, please try first to upgrade your browser to the latest version available.
