*** DL6ZFG CLOSES THE LOGS ***

DL6ZFG (Rolf Rahne, P.O.Box 15, D-39241 Gommern, Germany) has put an end to his activity as QSL manager [425DXN 245] and reports the following:

"The reasons for the decision to finish my activities as QSL-manager are:

1. The DARC-QSL-bureau cannot deliver QSL's for non-members of DARC. I'm a member, but the opinion of the DARC-bureau is, that the OM's I manage, are not members. It means, the OM's 4K2BY, 4K4BEU, RA9LI, R100R and other should be member of DARC and pay the membership-subscription.
2. I cannot print the QSL-cards at my expense and pay the subscription for my 'clients'. This is too much.
3. Recently the QSL-bureau in Russia, Kasakhstan and other countries of former Sowjetunion are going on. Please use the QSL-bureaus!
4. After Jan. 1997 I won't be a 'direct-manager', because of high postage charges in Germany it's possible, that amateurs, who must send me the return postage costs, could believe, that I deliver the QSL for money.
5. I have been a correct QSLmanager and I'm very sorry for the situation that is now taking place."

*** ERRATA CORRIGE ***

SP5PB/1 ---> SP5PB/1's activities take place from IOTA groups EU-129 e EU-132 (not EU-131, as mentioned in 425DXN 267 - sorry for the typo!).

CONTEST DIE/DIP ---> The DIE/DIP 1996 Contest will take place from 5 to 13 UTC of 7 July (not 14 July, as mentioned in 425DXN 267 - sorry for the typo!).
