"Our aim is to be on low bands before the contest as much as possible, particularly 160m. Due to the cancellation of the 3C0 expedition we have an opportunity to borrow the Battle Creek Special. A friend of ours in the airlines has agreed to go to Detroit, collect the antenna, bring it back to Sydney and then take it to Malaysia in time for the G3XTT Spratley expedition (an all up trip of some 40,000 km). This trip will cost approx. US\$500. As the Lord Howe DXpedition is without any commercial sponsors our budget is already stretched to the limit. For this reason I appeal to you, my fellow ham friends, for any monetary donations that you may be willing and able to provide. Any amount. Every \$ helps". Donations can be send to Nick Hacko, P.O Box 730, Parramatta, NSW 2124, Australia (this address may also be used as QSL route).

QSL 5R8FK ---> Ray, 5R8FK reported to The Daily DX that "his mail which is being sent direct to Madagascar is being stolen. He asks that all stations QSL via his US call NY3N. From that location someone will box up the QSLs and forward them to Ray on the island. Ray asks that everyone please be patient as this process may take some added time".

QSL 5V7A ---> Roger, G3SXW reports that the e-mail address of GM4FDM (the new QSL manager for 5V7A in CQ WW CW Contest \*1997\*) [425DXN 333] has changed. E-mail QSL requests for replies via bureau shall have to be addressed to <wylie@sol.co.uk>. Direct requests should be mailed to Tom Wylie, 3 Kings Crescent, Elderslie, Renfrewshire, Scotland, United Kingdom. (Please note that QSLs for 5V7A in CQ WW CW Contest \*1996\* continue to be handled by GM4AGL).

QSL 9X0A ---> Harry, RA3AUU reports that the QSL route for Andy, 9X0A (ex 9X/RW3AH) [425DXN 333] has changed. QSL for contacts made with 9X/RW3AH still go to Box 899, Moscow 127018, Russia (they are handled by Toivo, RA3AR). QSL for contacts made with 9X0A since 6 September 1997 now go to DL5WM (Gottfried Gerth, Obere Dorfstr 13 A, D-09661 Gruenlichtenberg, Germany).

QSL C91AI & C98AI ---> Jose, CT1EEB reports that cards for Dias, C91AI (C98AI from AF-072) should not be sent to CT1DGZ. Dias gave CT1CKP "for his most recent operations from Mozambique", Jose says, "but I always got a reply from CT4HV", whose address is: Jose Manuel Gomes Santos, Rua de Bissau N 8, 4 Andar F, 2700 Amadora, Portugal.

VK POSTAGE ---> Bill, VK4FW reports that as of 3 March 1997 the new postage for a 20 to 50 grams letter to Europe, Africa & South America is \$1.70, to North America \$1.50 and to Japan \$1.30. Postage for letters up to 20 grams has not changed yet.

VK9/0 BUREAU ---> The following is a message from Neil, VK6NE, VK9/0 QSL Bureau Manager: "At the present time only VK9LA and VK9LH collect their cards from the VK9/0 Bureau. No other VK9 or VK0 collect their bureau cards. Any station managed by the ODXG people, cards addressed to the bureau in VK4, or any DXpedition carried out by ODXG will not accept bureau cards. I put a 'Not Wanted Via Bureau' stamp on all the cards that I return via overseas bureaux etc."

ZK1XXP ---> The Dateline DX Association recent DXpedition to Penrhyn Atoll

(OC-082), Northern Cook Islands logged 15,299 QSOs (6,708 on SSB, 8,101 on CW and 490 on RTTY). About 1,900 QSOs were made with European stations mostly on 40, 30 and 20 metres. QSL cards should be ready in about three months. QSL via WA4YBV either direct (Robert Pond, 9 River Cove, Portsmouth, VA 23703, USA) or through the bureau.
