5V7FA ---> Both Marc, F5PCU [425DXN 375] and Cris, G4FAM [425DXN 383] hold a 5V7FA licence, which seems to have been issued twice by the Togo licencing authorities. Efforts are being made to solve the problem. For the time being please note that Marc F5PCU/5V7FA (QSL via F6FNU) works SSB, while Cris G4FAM/5V7FA (QSL via G4FAM) will be working CW in November as a member of the Voodoo Contest Group team.

A22/ & Z2/W0YG ---> Charlie, W0YG reports he worked "a bunch from Z2 but never got the chance to operate on 80/160 metres as a DX mobile signal on those bands is equivalent to a dummy load. An unforeseen bout in the bush with malaria cut short my operation from Z2 and stopped me from further operating from A2 when I went there. I will again try for licensing on my next trip and attempt to do a better job of it then". Charlie visited Botswana and Zimbabwe in July/August 1998 [425DXN 375]. QSL to Charlie Summers, 6746 North Yucca Trail, Parker, CO 80138-6110, USA.

DX AWARDS ---> The K1BV DX Awards Directory is a 250-page book listing the rules for 2640 awards from 117 countries. For further information please contact Ted Melinosky, K1BV, 65 Glebe Road, Spofford, NH 03462-4411, USA.

ITALIAN LAKE ISLANDS AWARD ---> It is available to both licenced and SWLs who have worked/heard stations (from 1 January 1998) operating from Italian islands located in lakes (not IOTA). The award (I.L.I.A.) is sponsored by the Crazy DX Group (P.O. Box 11, 04011 Aprilia - LT, Italy). For further information visit <http://www.grisnet.it/crazy> or <http://www.qsl.net/crazy> [TNX CRAZY DX GROUP]

HIGHWAY ARC AWARD ---> It is available to both licenced amateurs and SWLs who have worked/heard 23 stations (from 1 July 1996 onwards) whose last letter of the call sign makes up the words "Highway Amateur Radio Club". Send a copy of the log (certified by two other radio amateurs from your radio club) with US\$ 6 or 12 IRCs to The Awards Manager, P.O. Box 779, New Germany, 3620 South Africa. [TNX ZS5BBO]

QSL HP3XUG & HO3A ---> Louis, KG6UH/HP3XUG/HO3A reports that his current address (PSC 61 Box 324, FPO AA 34061) [425DXN 384] will cease to forward after February 1999. The new address is: Capt. Louis N. Anciaux, USN (RET), PSC 1 Box 57, APO AA 34001-0057, USA. His local Panama address (Apartado 417, David, Chiriqui, Republica de Panama) remains valid, although it is quite slow at times.

QSL KH9 ---> Do not resubmit cards for K8XP/KH9, N200/KH9, N6MZ/KH9 and N2WB/KH9 (the Dateline DX Association's DXpedition to Wake in February-March). Tom, N4XP reports that cards are being processed and mailed daily, but there are two factors that slow down the process: many operators put cards for QSOs with all four stations in a single SASE while others put QSO labels from one or more QSOs with more than one of the DXpedition calls on a single QSL.

QSL UA9LP ---> Serge, UA9LP (ua9lp@yahoo.com) is active daily on 10-80 metres RTTY from Zone 17. QSL direct to his new address: Serge S. Abyshev, Box 698, Tyumen 625000, Russia. [TNX UA9LP]

QSL YC8VIP ---> Ovy, YC8VIP (OC-070) reports that VK4FW is *not* his new QSL manager [425DXN 386]. QSL cards should be sent to W6MD (Steve Busono, 1700E, 13th No. 14 OE, Cleveland, OH 44114, USA). [TNX OPDX Bulletin]

QSL VIA NE8Z ---> Rick, NE8Z is the QSL manager for HC1HC and HD1HC and can confirm all past, present and future QSOs. His address is Rick Dorsch, P.O. Box 616, Hamburg, MI 48139-0616, USA. [TNX NE8Z]

RODRIGUEZ 1999 ---> The DXpedition to Rodriguez Island will not take place in early January 1999 [425DXN 383] due to the concurrent DXpedition to Campbell [425DXN 383]. However Frank, AH0W is reported to be still planning the 3B9 operation on a later date. [TNX The Daily DX]
