QSL T31T/K & ZK3DX/CW ---> QSLling started the very same day Nils received the cards from the printer, i.e. on 16 March. "Today (10 August) all direct requests for QSLs are in the mail except those which I have to check a second time because of various reasons", Nils, SM6CAS reports. Some 150 requests that were sent along with cards for other operations managed by Nils are being processed right now. Then it will be the turn of bureau cards.
