6 METRE BEACON ---> Arie, 4X6UO reports a new 6 metre beacon is active from Israel. Check http://www.iarc.org/~4z5ay/htmls/bea_tec.htm

AUSTRALIAN POSTAGE ---> The following comes from Alan, VK4AAR: "From 1 July 2000, a Goods and Services Tax (GST) was introduced to Australia as part of tax reform. It means we pay a little extra for many, but not all, things including postage stamps. Mail to destinations outside Australia is free from GST but NOT internal mail. Consequently, Australia Post has introduced a special series of stamps for use on international mail and we must use these stamps or risk being taxed extra. This will be enforced rigidly from 1st February 2001 but they are being lenient with us till then. What this means is that it is now unwise for DXers to send envelopes with Australian stamps on for their QSL cards to be returned in. If my reply address is on that envelope, I will be contacted and charged a tax (I don't yet know how much). If my reply address is not on the envelope, you, the DXer, will get taxed at your end, I was told today. Therefore, please send ONLY green stamps or IRCs. For my part, I prefer green stamps, they are more flexible and useful".

CORRECTION ---> QSLs for SV8/IT9YRE/p go to IT9YRE, QSLs for R0L go to IK2DUW. In both cases, cards will not be printed before mid/late September at the earliest [425DXN 486]

KH2/K4ANA ---> John logged his last QSO from Guam on 8 August. He will be living and working in Bishkek, Kyrgyzstan; he expects to arrive there in late October and will have his radio gear. Cards for KH2/K4ANA can still go to W2PS either direct or through the bureau. [TNX W2PS]

PS0S ---> The ship departed for Fernando de Noronha, on 27 August and the PS0S operators (Flavio, PY2ZX and Ademir, PY2SP) went QRT far earlier than expected. Reportedly their on and off-air periods while on the island were subject to the priorities set by the Brazilian Navy. QSL via PY2SP. [TNX PY2HN]

QSL 3B9R [425DXN 486] ---> If you have submitted a direct (not QSL bureau) QSL for 3B9R and have not received a card, e-mail QSO info and mailing address to Gary, K7ZD (3b9r@ktarmail.com, for 160-10M contacts ONLY) or Ned, AA7A (aa7a@arrl.net, for 6M contacts ONLY). Your card will be sent promptly - do not resubmit or send SASE. If you have not submitted before, please send SASE to K7ZD (Gary McClellan, 3422 E. Altadena Ave., Phoenix, AZ 85028-2010, USA). [TNX K7ZD]

QSL 3XY2D ---> Effective 1 September 2000 the new QSL manager for Denis, 3XY2D will be Joe, W3HMK. [TNX The Daily DX]

QSL 4K5CW ---> The new QSL manager is for Serge, 4K5CW is PA3EPG (Ben van Leeuwen, Zwolseweg 57, 8181 AC Heerde, The Netherlands). [TNX PA3EPG]

QSL 8S6LGT ---> Eric, SM1TDE is not the QSL manager 8S6LGT (Maseskar Lighthouse, IOTA EU-043). QSLs for 8S6LGT are to go via SK6GX.

QSL VIA UA1RJ ---> Yuri reports he is the QSL manager for EK1SK (1992), RF1P (1999, EU-102), RI1POD (2000, EU-102), RI1POM (2000, EU-086), UE1QAA, UE1QKM, UE1QNY, UE1QSK, UE1RDM and UE1SAA. QSL to Yuri G. Sinitso, P.O. Box 10, Vologda, 160035, Russia.
