You can see the current team, along with a complete description of the project, on the DXpedition website (www.cordell.org/CI/). If interested in joining the team, please contact Bob, KK6EK (kk6ek@cordell.org) or Chris, DL1MGB (chris@dl1mgb).

CLUB LOG OQRS • "There has been an update to Club Log which may prove useful to international expedition teams (outside NA) who want to receive OQRS payments in their home currency", Michael G7VJR says. From 23 September 2012, Club Log OQRS has support for US Dollars (USD), GB Pounds (GBP), Euros (EUR), Australian Dollars (AUD) and Japanese Yen (JPY), thus removing the overheads for expeditions who use these currencies. "In future, when you request a card from Club Log, you might be asked to pay in one of the currencies above instead of dollars. Don't forget that PayPal will show you how much you're paying in your own currency before you send funds overseas".

CQWW CONTEST DIRECTOR • On 4 September it was announced that - after 35 years - Bob Cox (K3EST) has retired as Director of the CQ World Wide DX Contest and as CQ's Director of Contesting. His retirement is effective immediately. A successor has not yet been named. Further information can be found at the CQ Newsroom (<http://cqnewsroom.blogspot.com/>)

DX MAGAZINE MOST WANTED SURVEY • The DX Magazine's annual Most Wanted Survey is being conducted now through 15 October. The survey form is available at www.dxpub.net: click on "Most Wanted Survey" and you will find a link to the form (please note that it is not a complete list of all DXCC Entities: if you need something that is not listed, simply use the "Additions or Comments" space at the end of the form). Prefixes in bold type are ones which may cause confusion due to their similarity (e.g. 3D2, VK9, VK0, etc), please use care when marking these to be sure the correct one is counted. A few prefixes/entities are shown in red, to indicate either an addition to the list from last year or a change in the prefix (e.g. ZK2 is now E6). The overall results will be published in the January-February 2013 issue of The DX Magazine, and the world-wide results will be posted to the web site around 15 January 2013 as well. The breakdown by mode/Low Bands will be published in the March-April 2013 issue of the magazine.

In all my experience, this was the most physically difficult DXpedition of all", Bob Allphin, K4UEE says. To purchase a copy, go to www.k4uee.com/dvd
