3D2C ---> The DXpedition to Conway Reef went QRT earlier than expected, around 00.00 UTC on 3 October, after 71,693 QSOs. Their final log, statistics and OQRS are on http://www.yt1ad.info/3d2c/index.html. They expect to have QSL cards in the mail in late November and to "upload to LoTW within six months".

CQWW CONTEST DIRECTOR ---> CQ Contest Hall of Fame member and WPX Contest Director Randy Thompson, K5ZD has been named Director of the CQ World Wide DX Contest, effective immediately. He succeeds Bob Cox, K3EST, who retired in September after 35 years. Randy's appointment to the directorship of the CQWW creates a vacancy for director of the CQ WPX Contests. Anyone interested in taking on the challenge of leading a major contest should contact Randy at k5zd[@]cqwpx.com.

DXCC NEWS ---> J5IFD (Guinea-Bissau, 2010 operation) has been approved for DXCC credit. [TNX NC1L]

HF STATION YOUTH GIVEAWAY ---> To encourage youth in DXing and contesting, the Amateur Radio Supplies owner management team (N1SNB and N0TG) will provide a complete HF station to a deserving young operator. Applicants are welcome from any location in the world provided they are 21 years of age or younger. Details on http://www.amateurradiosupplies.com/youth-s/222.htm

IARU NEWS ---> The Directors in IARU Region 3 have voted to appoint Peter Lake, ZL2AZ as the Chairman of IARU Region 3. He replaces Michael Owen, VK3KI, who passed away unexpectedly last month.

NWRW 2012 ---> The National Wildlife Refuge Week combines Amateur Radio communication capabilities with enjoyment of the outdoors to help others learn about the National Wildlife Refuge System. Amateur radio stations will be active from a number of wildlife refuges on 14-20 October under guidelines established in cooperation with the U.S. Fish & Wildlife Service. Information on this special event can be found at www.nwrweek-radio.info

TOP LISTS ---> The latest Topband, Topmode and Toplist listings are now available at www.425dxn.org/awards/toplist/index.html. QSOs confirmed through LoTW or included in on-line logs are eligible for listing. Send your scores, as well as any request for further information, to Luciano Lucini, IK2QPO (ik2qpo[@]425dxn.org).

ZD9UW ---> The "Baltic Trader" departed Tristan da Cunha earlier than the scheduled date of 5 October. Considering the limited amount of time, Rob M0VFC concentrated purely on HF SSB in order to get as many people in the log at least once as possible. He went QRT around 12.30 UTC on 4 October, with 4270 QSOs in the log from less than four days on the air.
