Other cancelled operations include PZ5G (IOTA DXpedition by DJ4EL to SA-092, planned for April), and a large scale DXpedition to the Chesterfield Islands (planned for October and postponed until sometime in 2021).

Among the cancelled events are the 2020 Hamvention (15-17 May) and its related dinners and associated events, two YOTA sub-regional camps (Balkans On The Air planned for 3-6 April in Serbia and Nordics On The Air planned for 10-13 April in Norway), the CQ WPX SSB Contest Youth Contest Program in Croatia, and the 17th IARU HST World Championship (planned for 20-24 August in Ulaanbaatar, Mongolia).

IOTA DXPEDITION POSTPONED ---> Cezar, VE3LYC and Adrian, KO8SCA expected to be active as V62P from Polap Atoll (OC-155), and as V62S from Satawal Atoll (OC-299, new one for IOTA) during the first half of May [425DXN 1503]. "The Federal travel restrictions to Micronesia have been lifted", VE3LYC reported on 15 March, "but the states and even island communities can issue their own

restrictions as they consider fit. This results in a rather fluid situation, which can change with very short notice. In view of this, our expedition plan is postponed until such a time when it can materialize". Updates will be posted to <https://v6iota.weebly.com/>.

RI0B ---> The team reached Rastorguyev Island (AS-068) on 16 March, but an unexpected storm prevented them from starting operations until the 18th. Amid aurora conditions, temperatures well below the freezing point and further gale force winds, they will be QRV until the local evening of 21 March. QSL via Club Log's OQRS; the log will be uploaded after the end of the DXpedition.

RSGB CONTEST RULES CHANGES ---> As a result of the UK government's recent advice on social distancing, the RSGB HF Contest and VHF Contest Committees have decided that, with immediate effect and until the end of June 2020, they will no longer accept multi-operator contest entries for any RSGB Contest. Single operator entries from shared stations will also not be accepted, unless the station is being shared by family members living at the same postal address. In early June they will decide if the IOTA Contest and other events can go ahead as planned. See <https://www.rsqbcc.org/cv19.shtml> for the complete announcement.
