Access to the main functions of www.425dxn.org is provided by the 425DXN App for Android. It is available on Google Play - free of charge, no ads. Enjoy!

3Y0J: THEY HAVE NOT GIVEN UP --- >"Since the cancelation of 3Y0J", N6PSE posted to the Bouvet 2023 DXpedition's Facebook page on 18 June, "we have been working closely with Nigel Jolly to form a new plan, with a new owner of 'Braveheart' and a revised payment plan that enables Nigel Jolly to continue managing 'Braveheart' and will keep it available for DXpeditions for years to come. We are working out the details of this plan and hope to have some very positive news very soon. We have not given up!"

HAM RADIO WORLD ---> For the second year in a row, Ham Radio Friedrichshafen has been cancelled owing to the pandemic, and has been replaced by a free of charge online event - Ham Radio World - which will take place on 25-27 June. Ham Radio World is "a virtual 2D world in your browser which also is a massive videoconferencing tool. With your avatar you can explore Ham Radio 2021, visit stands, meet and chat with friends in an instant video conference. There will be also many presentations of which several will be held in English language. The traditional International Meeting will take place on 26 June from 17 to 18 UTC in room Liechtenstein". Access to the event will open on 25 June at 13 UTC on <https://ham.darc.de/>.

KL7FBI ---> Fred, KB4DMQ "is scheduled to leave Shemya (NA-037) on 14 July, and will continue to operate until then, in his spare time, as KL7FBI", says Cezar, VE3LYC. "QSL cards will be available from Fred after his return back home, by direct request to his home address": Fred R. Anderson, 918 Abeto St NE, Palm Bay FL 32905, USA.

M00XO & M0URX: QSL BUREAU SERVICE ---> Both Charles, M00XO and Tim, M0URX posted the following message to their respective websites:

"A few months ago I considered closing the Bureau option on some of my call-signs on OQRS as the demands and costs are getting unsustainable. I actually decided NOT to do that and at this current time, all Bureau cards are now ready to be dispatched in the next couple of weeks.

However, the global pandemic has caused a major restriction on air freight worldwide which has led to enormous increases in costs. For example, 10 small packages to ARRL have increased from £14 in total to £103, while the parcel to Japan JARL from £50 to £160, if you multiply the increases to all 90 IARU Bureau destinations the cost is quite a shock to bear.

I therefore had no choice but to introduce a \$0.30c charge on Bureau cards on OQRS to help alleviate losses in my future Bureau mailings.

I appreciate to some, this may not be very popular but let me stress, this is NOT about making money. Applying a small charge/contribution will go a huge way to combat the deficit in Postage Costs to World Bureaux. Without it the Bureau service will cease".

MAGIC BAND ---> For those who might have missed the excellent presentation "Modes of Propagation on 6 Meters" by Carl Luetzelschwab, K9LA, the complete program video is now available on the Madison DX Club's website: http://www.madisondxclub.org/MDXC_Programs.html. [TNX W9EWZ]

QSLs received direct or through managers: 4A2L (NA-135, February 2020), 4X4WN, 5T5PA, 5Z4VJ, 6F3A (NA-153, February 2020), 7Q7RU, 9J2BO, A42K, BA3AX, CP6UA, D73A, ES2TT/8 (EU-178), ET3AA, FM5DN, GD0TEP, HS0YNM/p (AS-107), JO1CRA/7 (AS-206), JX2US, MS0INT, RI0Q (AS-152), RP76ON, RW2F, ST2NH, TI7W, TZ4AM, UA1ATD/P (EU-133), VK0PD, VP2EIH, VP8LP, XU7AKU, YS1RS, ZF9CW.
