10-BAND DXCC ---> "The Programs & Services Committee and Headquarters staff from the Radiosport Department, on the heels of creating the DXCC Trident award in January, are moving ahead with the creation of another new DXCC award - 10-Band DXCC - which will recognize those who achieve DXCC on all bands from 6 meters to 160 meters (excluding 60 meters). Higher achievement endorsements can be earned at the 200, 300, and Honor Roll levels, like the DXCC Trident. The 10-Band DXCC award challenges participants in the DXCC program to establish station capabilities and operator skills for dealing with myriad band conditions in pursuing DXCC across all 10 bands". [Source: ARRL Member Bulletin for July 22, 2025].

The DXCC Trident [425DXN 1760] will recognize those who achieve DXCC using CW, phone, and digital modes. Details are expected in due course.

CATS & DOGS ---> During the month of August, especially around 8 August (International Cat Day) and 26 August (International Dog Day), a number of stations will be active to raise awareness of pets in need - those who have been abused, abandoned or neglected - and to encourage adoption for those who have yet to find a home and a family forever.

Special "cat" callsigns include DA0CAT, DL0CAT, GB4CAT, GB9CAT, W1C, and YL1CAT (see <https://hamlog.online/icd> for the certificates)

Special "dog" callsigns include DA0DOG, DL0DOG, GB4DOG, K2D, and YL1DOG (see <https://hamlog.online/idd> for the certificates)

INDEXA SUPPORTS 'QSL.net' ---> "QSL.net was started in 1996 by Al Waller, K3TKJ and ran continuously until Al retired at the end of 2008.

In early January 2009, Scott Neader, KA9FOX and George Fremin, K5TR stepped forward to keep the service going. All QSL.net services were then moved to new hardware located at a large US data center.

Today, QSL.net [1] hosts over 39,000 web sites, over 58,000 e-mail forwarding accounts, over 600 mailing lists [2], and provides bandwidth and hardware for N6RT's DX Services (including log searches for over 20 million QSOs) [3].

This is all done at NO COST to amateur radio operators and organizations, although donations are encouraged and very much appreciated. This free service is truly a valuable tool for amateur radio, especially for the DX community. INDEXA is supporting 'QSL.net'. Please support 'QSL.net'. [Bob

Schenck, N200, Vice-President INDEXA]

KH7AL/KH9 ---> Allen will leave Wake Island on 28 July, and will be back on 6 September. Bookmark <https://kh7al.site/kh9-upcoming-activity/> for updates.

+ SILENT KEY + Joseph L. Arcure Jr., W3HNC, one of the most respected QSL managers in the world, passed away on 20 July. Born on 25 December 1933, he had been interested in DX chasing since 1957, one year after he was licensed. Joe began serving as a QSL manager for DX stations in August 1963, starting with ZE4JS (Rhodesia, now Zimbabwe). Since then he handled QSLing chores for hundreds of DX stations. He was inducted into the CQ DX Hall of Fame in 1979.
