- 5B - Members of the Bavarian Contest Club will be active as 5B/DD1MAT, 5B/DJ5M0, 5B/DL7AT, and 5B/DM6DX from Cyprus on 10-16 September. They will operate CW, SSB, and RTTY on 160-10 metres, and will participate in the WAE DX SSB Contest (12-13 September) as PC3R (QSOs will be uploaded to LoTW and Club Log). [TNX NG3K]
- 5H - Maurizio, IK2GZU will be active again as 5H3MB from Tanzania from 18 October to 18 November, while doing volunteer work at a local school. In his spare time he will operate SSB, CW and digital modes on 80-10 metres and via QO-100. QSL via Club Log's OQRS, LoTW, and eQSL, or via IK2GZU (direct or bureau).
- 8R - Aldir, PY1SAD is active again as 8R1TM from Guyana until 12 October. He operates CW, SSB and digital modes on 160-10 metres and via satellite, from 23:00 to 03:00 UTC during the week, and "full time" during the weekends. QSL via LoTW, eQSL, QRZ, or direct to home call.
- 9N - Suvarna, OM0GA (VU3OPT) is active as 9N/OM0GA from Nepal until 19 September. He operates mainly CW on 40-10 metres. QSL via Club Log's OQRS.
- D4 - Harald, DF2W0 is active again as D44TW0 from Praia, Santiago Island (AF-005) until mid-September. He operates CW, SSB and FT8 on various bands and via QO-100. See <https://www.qrz.com/db/D44TW0> for more information. QSL via M00X0's OQRS.
- F - The Radio Club Vendeen (F6KUF) will be active as TM4GGR at various times between 7 September and 9 October. The special callsign's suffix stands for Golden Globe Race, the single-handed, round-the-world sailing race without assistance that will start from Les Sables-d'Olonne, France on 6 September. QSL via F6KUF (bureau) or F50EV (direct). See the TM4GGR portal on <https://live.f6kuf.fr/> for much more information.
- HP - Rikk, WE9G is active as HP/WE9G from Aldos del Maria, Panama until 9 September. He operates mainly FT8 (MSHV) plus some SSB and CW with three radios on various bands. QSL via Club Log's OQRS, LoTW, QRZ, or via home call.
- I - Marco, KN6SJQ will be active as IL7/KN6SJQ from the Tremiti Islands (EU-050) on 5 September. Look for him on 20 metres between 7 to 13 UTC.
- JA - Look for JA8COE/8 to be active from Yagishiri Island (AS-147) on 4-7 September. He will operate SSB, CW and FT8 on the HF bands and 6 metres. QSL via Club Log's OQRS, or via home call.
- KH0 - Tony, JA6CNL will be active as KH0N from Saipan (OC-086), Mariana Islands on 10-15 September. He will operate FT8, FT4, and FT2. QSL via home call. [TNX The Daily DX]
- KH8 - Yuris, YL2GM and Eugene, EA5EL will be active as KH8WW from Aunu'u

Island (OC-045), American Samoa on 10-24 September. They will operate CW, SSB, and FT8 on 160-6 metres with 2-3 stations. QSL via Club Log's OQRS (preferred), or via YL2GN. Full LoTW upload six months after the end of the DXpedition. See <https://lral.lv/kh8ww> for more information.

- RI1F - The RI1FJZ team assembled in Murmansk, but the departure of the "Apostol Andrey" for Alexandra Land - originally scheduled for 3 September - is expected to be delayed until 7 September at the earliest due to an incoming storm.
- S7 - Kasimir, DL2SBY will be active again as S79/DL2SBY from Mahe (AF-024), Seychelles on 11-21 September. He will operate CW, SSB, and FT8 (MSHV) on the HF bands with verticals and an inverted vee, and on 6 metres with a 5-element yagi. QSL via LoTW, Club Log's OQRS, or direct to home call.
- SV - Dirk, ON5CT will be active as J48S from Samos Island (EU-049) from 11 September to 10 October. He will operate SSB, RTTY, FT8/FT4 and some CW on 80-10 metres. He plans to participate in the CQ WW DX RTTY Contest (26-27 September). QSOs will be uploaded to LoTW, Club Log and eQSL; paper QSLs will not be provided.
- T32 - Ken, KH6QJ has had to cancel the first two weeks of his T32AZ Operation from (Christmas Island, OC-024), East Kiribati [425DXN 1843]. He still plans to be active early next month for the SSB leg of the Oceania DX Contest (3-4 October). [TNX The Daily DX]
- W - Team K1C (namely N4ML, NV1U, AF5ID, and AA1N) will be active from Cross Island (NA-055) in the Cross Island National Wildlife Refuge on 5 September. They will operate CW, SSB, and digital modes across the HF bands from approximately 10 UTC until sundown around 23 UTC. QSOs will be confirmed via LoTW and OQRS (information will be available following the activation).
- W - Organized by the Citrus Belt ARC for the 25th year in a row, the annual Route 66 On The Air special event celebrates the historic US Highway 66, officially established 100 years ago. Twenty-three amateur radio stations using 1x1 callsigns (W6A-W6W) will be QRV from cities and communities along the "Mother Road" on 12-20 September. See <https://w6jbt.org/> for complete information about the event, QSL routes included.
- YJ - Barry, KD6XU plans to be active as YJ0BP from Efate (OC-035), Vanuatu, starting after September 9 and running through early October. Operating from a beach house on the southern side of the island, he will also conduct portable operations from a couple of POTA sites. QSOs will be uploaded to LoTW, Club Log and QRZ; paper cards will not be available. [TNX DX World]
- ZD8 - Gerry, G3WIP plans to be active again as ZD8GB from Ascension Island for a few hours each day on 5-7 September. He will be QRV on 40-10 metres; he hopes to operate SSB (he might also try FT8 Super Fox) via the QO-100 satellite. [TNX The Daily DX]

Access to the main functions of www.425dxn.org is provided by the 425DXN App for Android. It is available on Google Play - free of charge, no ads. Enjoy!

9T0MD ---> The DXpedition to the Democratic Republic of the Congo (9Q) is still confirmed to take place from 30 September to 11 October [425DXN 1835]. The Mediterranean DX Club is conducting a survey to find out on which bands and modes the DRC is most needed, so that they can plan their operations accordingly: <https://www.mdxc.support/9t0md/survey/>.

VK9XY: REMOTE OPERATION PLAN ---> The Pacific Islands DXpedition Group, in partnership with Youth on the Air, has announced plans to offer approximately forty young amateur radio operators worldwide the opportunity to remotely operate during the upcoming VK9XY DXpedition to Christmas Island, running from 16 November through 4 December.

Two NexGen RiB2 remote radio systems will be deployed at approximately six hundred meters west of the main operating site. They will be accessed via "DXter", a new cloud-based browser system supporting CW, SSB, and digital modes without requiring additional software. The remote team will train on both RiB2 stations during October to familiarize themselves with the platform.

Young operators can contact Kees, W0AAE (arrrl.kvan@gmail.com) or Steve, KI4WKR (KI4WKR@gmail.com) if interested in participating on the remote team. For additional information about VK9XY, please visit <https://vk9xy2026.com/>.

WRTC 2026 RESCORING ---> The results for the World Radiosport Team Championship 2026 have been rescored. Four teams have been disqualified and substantial changes have been made to the order-of-finish and the award winners.

Since the conclusion of the onsite WRTC 2026 adjudication process on 13 July, significant new information prompted the Judging Committee to undertake additional reviews. To uphold the competition's integrity, the Organising Committee and Sanctioning Committee collectively supported this process and issued updated results that void and replace all previously announced standings.

The committee emphasized that participants were expected to adhere strictly to the rules published throughout the planning process. While acknowledging the sensitive nature of these updates, the organizers noted that prioritizing accuracy and fairness is essential for the future of the event.

A detailed rescoring report, the new results and disqualifications can be found on <https://www.wrtc2026.org/>.

The historical archive of WRTC competitions, along with the all-time list of competitors and their finishing positions, has been updated with the revised results: <https://wrtc.info/>.

XR0Z ---> Felipe, XQ7IR and Moises, CE3VTZ will be active as XR0Z from Alexander Selkirk Island (SA-101 for IOTA, Juan Fernandez for DXCC) for about ten days in early October [425DXN 1841].

They recently held a Zoom meeting with the park ranger and local fishermen representatives to plan the transport of expedition equipment to the island, which presents a major logistical challenge due to Selkirk's remote location and rugged terrain. A VHF marine-band radio equipment will be installed upon arrival and donated to local fishermen as a token of gratitude for their ongoing support.

With departure approaching, essential items still need to be procured and shipped. To cover these remaining logistical costs, the team is making a special appeal to IOTA chasers, DXers, clubs, and international friends for financial contributions, while extending heartfelt thanks to those who have already provided support: <https://www.xr0z.net/>.
