QSL 5N4ALE ---> On 14 January DK1RV (Hans-Georg Goebel, P.O.Box 1114, D-57235 Netphen, Germany) received a disk with the logs (some 150 QSOs) from Alfred, 5N4ALE (Bonny Island, AF-076/prov) for the period 22 August-17 December 1996. Hans looked through the logs and saw that several QSOs (nearly the 40%) for which he has received a request for confirmation are "not in log". Hans is very sorry and will try to get more information from Alfred, but it is likely to take time. Alfred should be still on Bonny Island. All direct cards with sufficient return postage will be mailed on 27 January. All other contacts will be confirmed later through the bureau. If you want know whether you are in log, please send Hans either a Packet radio message (DK1RV @ DB0SGL.#NRW.DEU.EU) or an e-mail message (dk1rv@t-online.de).
