QSL EZ8CW ---> Cards for either Vit, EZ8CW and EZ3A (club station) should be sent direct only to Vitaly Dotsenko, P.O. Box 73, Ashgabat, 744020, Turkmenistan. [TNX RU4SS]

QSL LU8XW ---> Jose Manuel Porter Felip, EA5BD reports he is the new QSL manager for LU8XW (effective 1 July 2000).

+ SILENT KEY + It is with great sorrow that we learned of the death of John Kay, G3AAE on 25 September 2000 at the age of 77. John was a skilled DX'er, a long-standing FOC member, and a meticulous operator. He held the top UK positions on both the DXCC and the IOTA Honour Rolls, a real achievement when one considers that he never used a linear amplifier. An RSGB Council Member, he served in a leading capacity on several of the Society's Committees. Over recent years he was a strong and loyal supporter of IOTA and was involved for over five years with the programme's administration. [TNX G3KMA & G3GIQ]
