10 YEARS OF 9A ---> 2002 marks the 10th anniversary of allocation of the 9A prefix to Croatia and the Croatian Amateur Radio Association (http://www.hamradio.hr) sponsors a special award for contacts made on HF, VHF and 6 metres with 9A stations between 5 July and 31 December. The award is also available to SWLs. For further information please e-mail Denis Vincek, 9A3Z at 9a3z@hamradio.hr

9A8RR ---> Steve, OM3JW reports that "special prizes" will be awarded to the three operators in Europe and the rest of the world who will work 9A8RR (Korcula Island, EU-016) on as many bands/modes as possible during the IOTA Contest. These prizes will be sent automatically a few days after the contest.

DXCC ---> Trond, LA9VDA reports that the August 2001 operations from Market Reef (OJ0/LA3IKA, OJ0/LA5UKA, OJ0/LA6YEA and OJ0/LA9VDA) have been approved for DXCC credit. Those who had their cards rejected can resubmit them for credit.

HS3RK ---> Hans D. Hollstein, HS0/KA3TDZ (Radio Amateur Society of Thailand QSL Manager) reports that RAST is receiving quite a number of QSL cards for HS3RK, a call that has not been issued in Thailand. Some of the cards mention the name "Ralph", no doubt these QSLs are for 5H3RK.

NA-121 ---> Lanny, W5BOS managed to make two QSOs from Walrus Island before his receiver died on Monday (8 July) night. He hoped to figure out the problem on Tuesday morning, but "black poured out of the radio" when he turned it on. Lanny spent 36 hours touring the island with a crew from The National Geographic Society and was expected to be back home early on 12 July. [TNX K5JP and G3KMA]

PIRATE ---> Tom Wood, N4CID is receiving cards for CW contacts made with ZD7CW in November 2001. This was a pirate as the genuine Julian, ZD7CW is no longer active and has been inactive for several years. [TNX N4CID]

QSL 9A0R ---> Please note that Mario, DJ2MX will not be the QSL manager for the 9A0R IOTA Contest operation from Krk Island, EU-136 [425DXN 582]. Cards should be routed via 9A9R. [TNX DJ2MX]

QSL MANAGER OFFERED ---> AA2LF is willing to act as a QSL manager for as many as five DX stations. He can offer full logging capabilities, 24/24 Internet/Telnetaccess, reliable mail address and QSL cards printing facilities. He can be contacted at aa2lf@arrl.com

QSL UE3ISL ---> UE3ISL has been active since 1 June and will continue operations until 1 August. Please note that RK3IWU is not the QSL manager for

all of the activities; the QSL route is via the operator's home call or via the bureau to UE3ISL. [TNX RK3IWU]

WRTC2002 ---> Final reminder: the WRTC2002 organizing committee would like as many participants as possible to e-mail their contest logs to logs@wrtc2002.org by 1800 UTC on July 14. These "early bird" logs will be used only for log checking purposes related to the WRTC2002 teams. There are incentives for doing this, please visit www.wrtc2002.org/rules_all.htm for the details.
