ZL1AMO ---> Ron Wright, ZL1AMO/3D2RW was in Fiji when he was taken to Lautoka Hospital due to a major health problem. A few days later an air ambulance was dispatched from New Zealand and Ron was transported to the critical care unit at Auckland Hospital. Latest reports indicate that Ron, after showing some signs of improvement, has had a decline and remains on life support. The family thanks the DX community for their prayers, love, and support. Ron's daughter, Terri (t.j.wright@xtra.co.nz) prints all e-mails for her mother and for Ron when he is able to read them.

Ron has no medical insurance and the cost of the emergency air ambulance is $40,000 NZD or approximately $20,000 USD. A "ZL1AMO Air Ambulance Fund" has been established by the International DX Association (INDEXA) to assist the Wright family with expenses incurred during Ron's most recent DXpedition. If you would like to contribute, please make checks out to INDEXA with a notation "For ZL1AMO Air Ambulance Fund". Please mail your contributions to: The ZL1AMO Air Ambulance Fund, c/o Bill Jennings (W4UNP), Secretary-Treasurer INDEXA, P. O. Box 607, Rock Hill, SC 29731, USA. For more information please contact Judy Roush, AA7UC, President, INDEXA (jroush@cybertrails.com). [TNX AA7UC]
