+ VICTOR RUSINOV, UT8LL +

The IOTA community world wide mourns the sudden passing of Victor Rusinov, UT8LL (UB5LGM), who died in the plane crash on 23 December near Esfahan, while on a business trip to Iran. Over the years Victor was a keen supporter of the IOTA programme. He helped his Ukrainian team-mates put on operations from EU-119 (4K3MI), AS-005 (4K4D), AS-086 (4K4I), AS-039 (EZ0Z), AS-104 (4K4N), the Black Sea island groups EU-179, 180 and 182 (EM5UIA), as well as, just a few weeks ago, AS-166 (EP6KI). Victor was a man with a big heart, a huge sense of humour, and great charm. With this went real generosity - for the IOTA Programme we shall always be grateful for the financial contribution he made to fund an ongoing programme of annual trophies. [TNX G3KMA]

For further information please e-mail Raul Diaz, LU6EF (lu6ef@yahoo.com.ar).

JIDX CW CONTEST ---> In 2003 there will be the unification between the Japan International DX Low Band CW Contest (which used to be held on the second

weekend of January) and the JIDX High Band CW Contest (to be held on the second weekend of April). Following this decision, contest rule will change (please visit <http://jelcka.jzap.com/jidx/jidxrule-e.html>) and the JIDX Low Band will be replaced by the East Asia/160/80m DX CW Contest (see below).
[TNX JA1ELY]

NEW 160/80M CONTEST ---> The first edition of the newly born East Asia 160/80m DX Contest, sponsored by "Five Nine" magazine, will be held from 9 UTC on 11 January through 22 UTC on the 12th. This is a single operator (three categories) CW only competition and the objective, for DX stations, is to contact as many East Asia amateurs as possible. "East Asia" includes UA0 (Zone 19), HL1, HL2, HL3, HL4, HL5, HL0, P5, JA1 (including 7K1-7N4 prefix), JA2, JA3, JA4, JA5, JA6, JA7, JA8, JA9, JA0, JR6/Okinawa (including JR6AA-NZ, JR6QUA-ZZZ, JS6, 7J6CAA-CZZ, while JR6AAA-QQZ count as JA6), JD1/Ogasawara (not JD1/Minami Tori Shima). For further information, please contact Toshi Kusano, JA1ELY (jalely@bb.mbn.or.jp) or visit <http://tamo.dip.jp> [TNX JA1ELY]

NOT THE MANAGER ---> Glenn, K5ZE reports he no longer manages YB0GG, YC1WAE and YC0YAD. QSLs can be sent via the bureau.

PIRATE ---> Denise, F6HWU has received cards for contacts made with S9WU (Principe Island) on 16 November, around 20 UTC on 17 metres. Please note that the operator was not the genuine Denise, do not waste your time on sending cards for this one.

QSL HT9T ---> Bob Myers, K2TV is receiving cards for this station, but he is not the QSL manager for HT9T (he was once the manager for HT9TM).

QSL P40K ---> Erminio, I2EOW is receiving direct cards for the recent [425DXN 604] P40K operation. Please note that the correct QSL route for this activity is via WM6A.

QSL ZS7/ZS4AGA ---> Please note a change in QSL management for Anton's activities from Antarctica. Cards for contacts made with Anton operating from SANAE IV base (WABA ZS-03) should be sent as always to ZS4A, while from now on cards for contacts made with E-Base (WABA ZS-04) should be sent to DL5EBE (Dominik Weiel, Johannes-Meyer-Str. 13, D - 49808 Lingen, Germany). Dominik has already received the logs and a special QSL card is going to be printed.
[TNX DL5EBE]

QSL VIA KU9C ---> Please note that Steve's old address will be closed in early 2003, at which time there will be a short forwarding to him, and then the mail will be returned to the sender. As already reported, his current address is: Steve Wheatley, P.O. Box 31, Morristown, NJ 07963-0031, USA. A complete list of the stations he manages is at <http://www.ku9c.com>

QSL VIA VK3DYL ---> Gwen, VK3DYL, QSL manager for the VK9YL and ZK1XYL DXpeditions in September/October, reports that all direct requests (with return postage) received prior to Christmas Day have been mailed back. Gwen also wishes to advise that it is the group's policy only to accept QSL cards sent direct or via the VK3 bureau, not as e-QSLs.

ZL1AMO ---> Judy, AA7UC reports that "As of 23 December the ZL1AMO Air

Ambulance Fund is within \$5,000 USD of reaching its goal of \$20,000 USD. Funds received, as of this date, have been forwarded to the air ambulance account in New Zealand and INDEXA has covered the expenses involved in the transfer of funds". Although still in isolation, Ron "continues to improve, slowly but surely".
