LCRA TO BE DISSOLVED ---> "My old friend HK3DDD has just informed me that postal rates in Colombia were doubled as of January 1, 2003 and it now costs the equivalent of US$2.00 to send a letter from Colombia to the USA", Fred, K3ZO reports. "It now costs HJ/HK hams the equivalent of 13 cents per QSL to send outgoing cards through the bureau, but anyway the bureau won't be available any longer because the Colombian IARU-member society LCRA is meeting this Saturday to dissolve itself, since with only 200 paid-up members and US$8000 of debt it feels it can no longer stay in business. Beto says Colombian hams have stopped calling CQ and running stations because they can't afford to handle the consequences economically. Colombian DXers are simply searching and pouncing these days, looking for new countries for themselves".

Box 1343, Maroochydore, 4558, Australia.

QSL TA4/DL2OBO ---> Tom, DL2OBO reports that the QSL cards should be ready in a couple of weeks' time. Between 26 January and 2 February he made some 1000 CW QSOs and enjoyed "really big pileups".

Please note that this does not include cards received via QSL Services and the like (these will be mailed out at a later date when time permits) or ZL7C requests sent along with cards for other DXpeditions. So effective immediately all cards accompanied with only one old style IRC dated 1999 and earlier (or improperly stamped) will be answered via the bureau".
