MOST WANTED SURVEY ---> The DX Magazine's (http://www.dxpub.com) annual Most Wanted Survey was conducted between mid-September and mid-October 2003, when the TO4E/TO4WW expedition to Europa had still to take place. The top 10 Most Wanted DXCC Entities are Scarborough Reef (BS7), Andaman & Nicobar Islands (VU4), North Korea (P5), Lakshadweep Islands (VU7), Peter I (3Y), Yemen (7O), Juan de Nova & Europa (FR/J&E), Navassa Island (KP1), Desecheo (KP5) and Aves Island (YV0). Complete results can be found in the latest issue of The DX Magazine.

PIRATE ---> Mike, G3TEV is the QSL manager for 9J2BO and reports that Brian's call has been pirated on 80, 40 and 30 metres. "This problem is occurring quite often, from the number of cards I have received", Mike says. The genuine 9J2BO operates on 80 metres only very rarely due to the high noise level on that band.

POSTAGE FROM AUSTRALIA ---> Peter, VK6RZ reports that "due to the increasing value of the Australian dollar against the US dollar, one US dollar is no longer sufficient for return postage except to the Asia/Pacific region".

QSL 5B4AHJ ---> Alan, G3PMR has now moved permanently to Cyprus. Bureau cards for 5B4AHJ (and 5B/G3PMR) should be addressed to 5B4AHJ (not via G3PMR). QSL requests via email (g3pmr@shacklog.co.uk) are acceptable. Direct cards should be sent to Alan Jubb, P.O. Box 61430, 8134 Kato Pafos, Cyprus. All QSLs already sent via G3PMR will reach Alan and will be acknowledged, but new QSL requests should be made as above. [TNX 5B4AHJ]
