>>> 425 TOOLBAR <<<

Maurizio, I1-21171/IZ1CRR has created a "425 Toolbar" with several useful features - you can search a string in the 425DXN bulletins or a callsign in qrz.com or dxwatch.com, have fast links to 425DXN calendars, bulletins, magazines, old DX spots and links to DXWatch spots, plus several ham RSS feeds for news, a chat feature and more. Further information and free download at <http://425.ourtoolbar.com/> (no personal information is required).

2006 DXCC HONOR ROLL LISTING ---> Due to a problem with the DXCC software a few callsigns were not shown in the DXCC Honor Roll list that was published in August 2006 QST. Although there were some errors in this computer-generated list, the on-line Honor Roll listing produced from the same database is correct. If you were on the Honor Roll between April 1, 2005 and March 31, 2006 and your callsign did not show in the QST list, contact DXCC Branch Manager Bill Moore, NC1L, at (860)594-0234 or dxcc@arrl.org. They will publish a correction in October 2006 QST. [TNX NC1L]
