>>> ANDAMANS & LAKSHADWEEPS 2008 <<<

The Andaman Islands (VU4MY and VU4RG) and the Lakshadweep Islands (VU7NRO and VU7SJ) will be activated again this year by teams of foreign and national operators as part of the celebrations for the Silver Jubilee of the National Institute of Amateur Radio (NIAR) [425DXN 883]. "This is the third year in a row that the Government of India extends its full support to foreign and Indian radio amateurs to operate their Amateur Radio stations from remote Islands of Andamans and Lakshadweep", S. Suri, VU2MY says. "The simultaneous Amateur Radio activity from these two islands is a path breaking achievement for NIAR during the year of Silver Jubilee". Further information under VU4 and VU7 below.

>>> DESECHEO 2009 <<<

On June 30, 2008, the Caribbean National Wildlife Refuge office in Puerto Rico sent a letter to persons that had previously made inquiries about an Amateur Radio operation from Desecheo. They announced their decision to allow one group to activate the island and invited proposals that must adhere to strict guidelines and criteria. Applicants had 45 days to prepare and submit their proposals.

CNWR received seven written proposals. A panel of three Fish and Wildlife Service employees, from areas within the Service outside of the Caribbean refuge, spent September 24 & 25 reviewing and evaluating the proposals. The selection criteria used were those outlined in the proposal invitation letter. Points were awarded for how well criteria were addressed for thoroughness and documentation.

The proposal with the highest ranking was submitted by team leaders Dr. Glenn Johnson, W0GJ, and Bob Allphin, K4UEE. Their plan involves a team of fifteen operators for a 14-day operation.

USFWS has not announced the actual dates of the operation yet, but the DXpedition is expected to take place between January 15, 2009 and March 30, 2009. A Special Use Permit (SUP) will be issued as per USFWS regulations. We expect that the DXpedition team and Dxers worldwide will have a minimum of 30 days notice. [TNX K4UEE]

3B8 - After attending the International YL Meeting in South Africa, Ingrid/LA8FOA and Unni/LA6RHA will go and operate as 3B8/LA8FOA and 3B8/LA6RHA from Mauritius (AF-049) on 13-17 October.

5U - Chris, 5U5U is going QRT from Niger and will spend as much time as he can on the bands until he closes down, around 9 November at the latest.
