The complete breakdown by continent is available in the January/February 2010 issue of "The DX Magazine"; a breakdown by mode as well as a listing for the low bands will be published in the March/April issue.

Les Nouvelles DX's relevant QSL Gallery (lesnouvellesdx.fr/galerieqsl.php) has been updated and now includes more than 300 cards for the Top Ten Most

Wanted for the past eight years (2002-09).

OPERATOR NEEDED ---> John, VE8EV is about to start planning for an IOTA trip to the rare Northwest Territories' Inuvik Region East Group (NA-182) in late April. Ideally the 2nd operator would also be able to coordinate fundraising and not be afraid of a little winter camping in the Arctic". If you have a serious interest in participating, please contact John (ve8ev@arrl.net). [TNX www.islandchaser.com]
